

## BODY OF MISS HOFFMAN TO BE BROUGHT BACK TO SCHUYLER COUNTY FOR BURIAL

The people of Schuyler county will be deeply interested in the fact that the body of Miss Katie Hoffman, a Red Cross nurse who died in a hospital at Paris, France, last summer will be brought back to the United States for burial.

Miss Hoffman was born in Schuyler county and was a sister of Samuel and Henry Hoffman residing about four miles south of Lancaster. The body will be brought to Queen City and burial will be at the Lutheran cemetery about eight miles southeast of Lancaster. No date has as yet been set for the services and will not be until definite information has been received from the Government regarding the arrival of the body. Miss Hoffman was well known to a great number of people and all speak of her as one of God's noblest creatures.
