

The little sixteen month's old daughter of Mr. and Mrs. C. P. Schofield, of near Queen City, died of cholera infantum last Thursday evening at the home of the former's parents, Mr. and Mrs. S. Schofield, of Edina. The family came down the week before for a visit of several days and two of the children became quite sick. The older one began to improve in a few days but the little one grew worse and died at 7:30 o'clock Thursday evening. The body was taken to Queen City Friday by way of Kirksville, accompanied by the parents, Mrs. Deierling, mother of Mrs. Schofield, who came down several days previous, and other relatives here.—Edina Sentinel.
