

**HENRY W. SCHUBERT**  
**1864-1934**

Henry W. Schubert, son of the late Henry and Margaret Schubert was born in Schuyler county, Missouri, December 4, 1864, and departed this life March 5, 1934, aged 69 years, 3 months and 1 day.

On August 31 1893 he was united in marriage to Rosa Schafer, who died May 30, 1914. To this union 3 children were born, one dying in infancy, Louis, at home and Mrs. Helen Glassburner of Leon, Kansas. He leaves two brothers, William F. and Louis E. and one sister Mrs. Mary Kethe. Two brothers died in infancy, and John J. in 1904. He is also survived by two grandchildren, Donald and Rosabel of whom he was very fond. Deceased had known the hardships common to a lad early deprived of a fathers care. His widowed mother greatly relied on the help of this elder son in the work on the farm and the up-bringing of a family of younger children and he was ever faithful to the trust. He was quiet and unassuming, of few words, and only those who knew him best know of his true worth.

He was christened in the Lutheran faith and united with the church about 1909.

"Blessed are the dead who die in the Lord. They rest from their labors and their works do follow them."
