

## OBITUARY

Margaret Miller Schafer was born June 24, 1843 at Hessen Dornstad Germany and died at the home of her only daughter, August 6, 1925. She came to America with her parents when she was but two years of age and settled in Schuyler County where she made her home until her death.

From childhood she was always a lover of the house of God and was always found at the various places of worship, regardless of denomination until the year of 1907 when she united with the Evangelical Lutheran church of which she remained a faithful member until death.

February 23, 1859 she was united in marriage to Henry Schubert to which union were born six sons and one daughter, three of the sons preceeding her in death.

Mrs. Schubert will always be known as a kind, loving mother, a friend to all in need, always willing to forget self in order to help those about her.

She was bereft of her husband February 23, 1885 and since then has made her home with her youngest son, Louis. For the last two years she has been failing in health and at times it seemed as if the end was near but would rally again. Two months ago she came to stay with her daughter, Mary and seemed to show wonderful improvement when suddenly on Wednesday morning she was stricken with a paralytic stroke which brought the sudden end Thursday evening at three o'clock.

She leaves to mourn three sons, Henry, William and Louis and one daughter, Mary all of Schuyler County, six grand children, three half sisters and one half brother and a host of other relatives and friends.

Asleep in Jesus, blessed sleep  
From which none ever wakes to weep.

A calm and undisturbed repose,  
Unbroken by the last of foes.
