

**DIED.**

WEITZEL

Chris Weitzel and old and honored German citizen living 8 miles south-east of Lancaster died Sunday morning, aged 54 years, 6 months and 2 days.

Mr. Weitzel had been a sufferer of cancer in the throat for about 4 years and while everything known to medical skill had been resorted to he finally succumbed to the dread disease.

Funeral services were held at the family residence Monday at 11 a. m., conducted by Rev. C. C. Crickett after which the remains were interred in the Lutheran cemetery.

Mr. Weitzel was one of the sturdy and honorable citizens of this county, and for a number of years was postmaster at Germania until that office was discontinued by cause of the rural free delivery system. He was never married but leaves a number of relatives and a host of warm friends to mourn his death.
