Meeting Information

**Every 3rd Tuesday of the month at
7:00 p.m.**

The doors will open at 6:15 p.m.

The Club provides Members attending our meetings a free door prize ticket and sells raffle tickets (6 for \$5) for more numismatic items, the drawings for both of which occur after the meeting itself.

Club meetings, besides covering Officer Reports, notices, and announcements for local, state, and national numismatic events of interest to our members also include educational presentations. These are geared to improve everyone's numismatic knowledge and skills at whatever level of development they are.

Most months there is an auction after the meeting with items for sale provided by members. The monthly auction list is provided as part of our monthly newsletter, which every member receives the week before each monthly meeting.

History of the Brandon Coin Club

The Club started in 2006 with a small group of numismatists who met in several private locations until it started meeting in the coffee shop in the Books-A-Million location in the Brandon Westfield Mall. Our next location was at the Elk's Lodge in Brandon; we have been meeting at our current location at the St. Andrews United Methodist Church for many years now.

The Club has sponsored Coin Shows for many years now, and after the pandemic hiatus, we resumed with a Coin Show in April 2023. We've continued with semi-annual shows ever since!
