

BOMB SHELL

MOISTURIZER

This highly concentrated moisturizer helps to clear acne, smooth fine lines and wrinkles, and fade acne scars and hyperpigmentation. A pea sized amount is all you need! The secret is our high quality ingredients. Here's a full list of them.

Raw African Shea butter that is never processed with heat so it retains all of its natural therapeutic qualities. High in vitamins A and E, Shea butter can prevent and reverse the appearance of aging as it increases natural collagen production, which slows as we age.

Unrefined, cold pressed coconut oil is used to keep the Coconut's lauric acid intact. Lauric acid has antimicrobial, antifungal, and anti-inflammatory properties to soothe and protect the skin.

Raw Honey contains naturally occurring Hydrogen Peroxide to keep acne causing bacteria in check all day.

Cypress essential oil keeps excess oil production in check all day while minimizing pores

Lemon Grass essential oil has antiinflammatory properties as well as antibacterial properties making it a great choice to clear and prevent breakouts.

Cold Pressed Rose Hip Oil is very high in vitamin C to fade acne scars and hyperpigmentation

Cold pressed castor seed oil is very effective for firming and tightening skin

Hyaluronic Acid absorbs deep into skin and attracts moisture to itself leaving skin looking smoother and softer while reversing signs of aging

Petitgrain essential oil evens out skin tone and soothes redness and irritation
