CVCA Presidents Letter

Dear CVCA members,

As we wind down our year of CVCA events I would like to thank everyone who helped make this year enjoyable for the club. I saw many members doing volunteer work at the Lorenzo Show, helping to clear and identify trails for our pleasure drives, and contribute in so many ways to a successful year of club activities. Our club has three pleasure drives. One in the spring at Chenango Forks, one at the Sadoff Davies Property (held this year at The Lorenzo Site) and the next one at The Sears Homestead near Cazenovia. There is also a fun day/pleasure drive at Sheffield Farm in the summer.

In addition, we have two meetings a year. One is our Membership Meeting in the spring. This is a dish to pass, typically held at a firehall or similar setting. The other is the annual meeting held at an event space. This year it will be at Orchard Vali on November 1st. We will have a silent auction at this year's meeting and it helps defray the cost of the event space.

I thought recently of how I might respond should someone ask why join CVCA? Our purpose, as stated in the membership directory is "to promote interest in the driving horse/pony and collecting and restoration or driving horse vehicles". We have an educational aspect to our group and try to hold several events to address that aspect of the club. If you have any expertise in an area, we would love to have you present an educational session (often held via ZOOM).

I look forward to seeing you at our annual meeting on November 1st at Orchard Vali. It is at 4693 State Route 20 Lafayette, NY 13083. It is a brunch event \$30/person and runs from 11am to 2pm. We will have the ever-popular silent auction and encourage you to bring your "newish" items to donate. Please see the form for attendance in this issue of "The Driving Lines" and print and send to Gloria Waro at 2415 County Rd 11 Mt. Vision, NY 13810 by the date indicated on the form along with your check for the event.

Drive on,

Kim

The Lucky 13th!

Submitted by: Judy Sobczak

For some people, the number “13” is unlucky, or it causes people to be superstitious, or perhaps feel some unease. There was no reason to be superstitious, feel uneasy or feel unlucky at the 13th annual Sheffield Farm pleasure drive and fun day. Perfect weather. Delicious food. Great friends gathered to spend the day with their equine driving partners, and fellow CVCA members. Interesting conversations. Everything past attendees and participants of fun day have come to expect and enjoy from this event.

Judging by the smiling faces and comments received, the 13th annual version of this event was once again a hit with everyone!

The 5 mile+ pleasure drive trails were perfectly prepared and marked by farm owner, Jan Suwinski and assisted by Ryan Saul. We are lucky that the pleasure drive route is totally off road. No motor vehicles to worry about. Just enjoying the woods and fields of Sheffield Farm. Occasionally seeing/observing the “resident” wildlife on the property.

In keeping with fun day “tradition”, there was a theme of the day. Which was incorporated into the pleasure drive, as well as the trivia contest, (which was played following lunch), and of course, the costume contest.

The theme for this year’s event was: “The ABCs of Carriage Driving”. This choice was made with the intention of educating or testing the knowledge of all participants about all things related to carriage driving. And, as always to have fun! On the pleasure drive, drivers were “tested” on their power of observation. The “I spied on the pleasure drive” resulted in many “clever” answers. Various pieces of carriage driving equipment were placed out on the route. After lunch, pleasure drive participants were asked to write down everything that they saw on the pleasure drive route. Following the observation game, next up was a driving trivia game. This game consisted of 20 carriage driving questions that were expertly put together by Sue Sheffer. This game had quite a few challenging questions, that really tested everyone’s carriage driving knowledge! The final knowledge game played, “The ABCs of carriage driving” display included various pieces of carriage driving equipment that started with the same first letters as the dressage ring coordinates.... A, B, C, D, E, F, G, H, K, M and X. The games were fun and educational.

Following lunch and all the educational and teachable moments, the exciting and laughter filled afternoon began. A costume contest was held, as well as a cones/obstacle course, that was contested by some very competitive competitors! 😊

Door prizes were drawn before, during and after lunch. Awards were presented to the winners of the various games and knowledge games.

Many thanks and much appreciation to the following individuals, businesses and organizations for their very generous donations of prizes and awards: Driving Digest magazine. Carriage Association of America. IVC Carriage. Cape Cod Polish Company. Sue Sheffer. Judy Sobczak.

As always, many thanks to Sheffield Farm owners, Jan and Sue Suwinski for hosting this event at their lovely farm and for providing the morning coffee and doughnuts.

To Ryan Saul for all his work and help preparing the farm for this event.

To Sue Sheffer for creating and designing the educational carriage display and writing up the driving trivia game.

Finally, thanks to everyone who attended this event. Your continued support and enjoyment of this event means so much! For those members who have never attended this event, or it has been a few years since you have attended/participated, be sure to add it to your “must do” in 2026.

Photo Credits Deb Cuming

It was a Great Day to have a Great Drive!

Saturday, September 20th dawned sunny and crisp with a promise of temperatures warming from the 34 degrees on the thermometer to near 70 by midafternoon.

Twelve CVCA turnouts and one rider enjoyed the pleasure drive over the Lorenzo property, up and down hills, through wooded trails, across the front of the mansion, around the corn field, winding through the apple trees that surround the one-room schoolhouse, back through the woods, across the front lawn again and ended in a wide-open flowing obstacle course on the site of the LDC Main Ring.

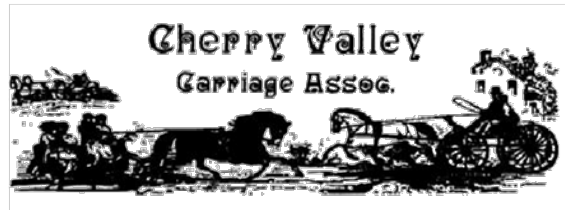

Included among those driving was our newest CVCA member, Mandy Frink and her daughter, Montana Marshall. How awesome to have two generations take to the lines to enjoy the event! Welcome Mandy!

Our fabulous CVCA cooks did not disappoint, we had a wonderful selection of salads, meat dishes and desserts to delight any sweet tooth!

Many thanks to Paul Buck for getting the morning coffee, the 'J Team' of Judy Sears and Joanne and Jim Schoonmaker who not only designed our pleasure drive, marked the route and provided maps for all drivers! A special thanks also to Paul Nasca and the Lorenzo staff and to the LDC board for use of the obstacle cones and trail markers! We had 33 members take part as drivers, passengers and picnic participants. It truly was a great day and we had a great drive!

Photo credits to Jim Schoonmaker!

46th Annual Membership Meeting

Orchard Vali 4693 State Route 20 Lafayette, NY 13083

Saturday, November 1, 2025

Please RSVP! We need an accurate count.

Non-CVCA Members are welcome to attend!

Price: \$30 per person

11:00 am to 2:00 pm

11:00 AM- Welcome Reception and Silent Auction Bidding Begins

11:30 AM - Brunch Buffet

12:30 PM - Membership Meeting: Year End Business Meeting/Election of CVCA Directors

~ THE SILENT AUCTION ~

Looking Forward

(Or, Save the Date!) 😊

Submitted by: Judy Sobczak

With 2026 soon to arrive, it is never too early to start thinking about planning next summer's show calendar. Especially when there are only so many weekends available. And, the fact that equine events aren't the only events happening over the course of the summer, that might require your attendance. Knowing the dates early could help alleviate conflicts.

As many of you know, the weather gods weren't kind to the town of Avon, NY. during the summer of 2025. The site for the 4th annual Avon Driving Park Pleasure driving show and CT. Because of damage that resulted from the area, (and, show grounds) receiving over 13" of rain in 2 weeks, the very difficult decision was made to cancel the show.

The good news is that the show committee is very eager to welcome everyone back in 2026!

The show committee is happy to share with everyone the dates for the 2026 show! Mark your calendars with the following dates: **July 24-26.**

The show grounds are lovely. An easy drive to get there. A partially shaded main show ring. Level and flat. Covered stabling. The full support and encouragement from the town of Avon to hold the show.

Please give consideration to participating at the show! This is a "new" show, that has grown in entry numbers each year.

If you have any questions about the show, feel free to contact the show secretaries:

Judy Sobczak at: Judy.carriagedriver1@gmail.com. Or, Sue Sheffer at: rustysdriver@gmail.com.

CVCA Members Out and About:

~Submitted by: Judy Sobczak

A Most Excellent (International) Adventure!

For just over 2 weeks, from the end of August 2025, until the early part of September, I had the most awesome experience! I attended the world championships for Para drivers, as well as the European 4 in hand championships. Both events were held in Lahden, Germany, over the course of 4 days. September 4-7. Fellow CVCA member, Deb Marcuccilli was named to the US National Para driving team, and in turn, Deb asked me to go along! How absolutely lucky was I? I was very honored and grateful to be asked by Deb! I was a member of Team USA! (And, I have the official team attire to prove it!) 😊

This trip would be my first, ever to Europe! The excitement that I felt was over the top! I was looking forward to everything about this trip! With my knowledge of Combined driving limited, I looked forward to learning so much more about Combined driving. And, I did! But there is still so much more to learn!

The first week was spent in the Netherlands at Stal de Ronde. The farm is owned and operated by Koos and Marie de Ronde, as well as their children and Koos' parents. Koos is a top 4 in hand driver in Europe. (He competed at the 4 in hand championship at Lahden, as well). Marie is a well known International judge and TD. Deb leased a horse from Koos for the competition. Tjibbe is part of Koos' indoor CDE team, as the left front leader. Also at the farm, working with Koos in preparation for the competition was Deb's USA team member Diane Kastama. Diane also leased a horse from Koos for the competition. Freedom, or Freddy as he is known was Diane's driving partner for the competition.

Janelle Marshall, representing Australia for the pony championships was also at the farm preparing for the pony world championship, which was held 2 weeks after the Lahden championship. She represented her "home" country, but she has lived in the US for over 20 years, residing in Aiken, S.C.

Janos Poppa, a 4 in hand driver from Hungary was also at Stal de Ronde, getting coaching and tips from Koos in order to improve his performance at the upcoming European 4 in hand championship at Lahden.

Being introduced and "hanging out" with all these different carriage drivers, from various locations around the world, was truly a wonderful time!

So many memories! Such an adventure! This experience is one that I shall forever hold dear!
There aren't enough words to express how thankful, appreciative and grateful I am to Deb
for asking me to be part of this adventure! Thanks Deb!!

Hey Deb....in 2 years??? 😊

I have so much more that I could share with the CVCA membership. But I'll leave that to
Deb to share her story with everyone!

MY EUROPEAN (DEFINITELY NOT A) VACATION

As a means of introduction: I am a new-2 year-member of CVCA. I am also very new to driving. I have been fortunate to own/ride horses since I was a teen. I lost my riding mare in 2021 and- looking for a way to stay connected to horses-started driving with Sarah Reitz..FOR FUN.

Sarah took me on as a student-older(now 70) and with a disability- I have 2 prosthetic legs- with no hesitation. She introduced me to combined driving..I had NEVER heard of it..I had seen/heard about the ECHO competitions on Facebook and it looked like fun.

The first year I was able to compete at a couple of ECHO's with Witt's pony Captain. I was HOOKED!

The second year I leased Remington. 'Remy' had lost his owner and I felt like he needed a new human to love him. Remy and I did EVERYTHING in 2022. I told Sarah I wanted to go wherever she was willing to take me. We competed at every ECHO..Gladstone..Bromont..Lorenzo..Orleton and even Tryon! He finished 3rd in the nation for Training pony. It was at Tryon that I 'caught the eye' of one of the show organizers. She was aware that I was a 'para' driver and suggested that I consider applying as a competitor for the 2025 Para World Championships. I LAUGHED

Quick explanation here. Para drivers are drivers with a disability. Individuals need to be evaluated and classified by qualified-as defined by USEF and FEI-physical therapists. I had been classified in Florida as a Grade II. There are 2 grades for combined driving. Grade I is individuals with a greater disability than Grade II. Apparently,when I was classified..it put me 'on the map' so to speak.

I continued to show in 2023 and 2024-and was now leasing Sarah's pony Fferm Gwenffrwd Duramax(MAX). I knew that Sarah was going to submit an application for the Pony World Championships(9/17-21)-so-I figured-what do I have to lose-I'll apply for the Para World Championships(9/4-7).

Against all odds-noone was more surprised than me-I was picked for the 3 person team to represent the USA! This was a holy %#&@ moment for me. I had made some plans..just in case..but had lots more details to figure out. I had contacted a well known driver in the Netherlands..Koos de Ronde..he was willing to lease me a horse. For me to ship Max+carriages would not have been affordable.

Judy Sobczak expressed her willingness (Thank-you God) to be my groom. Bruce Jones..who was already going to be in the Netherlands with Sarah for her competition..agreed to be my navigator.

Judy and I flew out to Amsterdam on 8/25/25. We arrived on 8/26..rented a car..checked in at the hotel..napped a bit..and then headed over to Stal de Ronde (The de Ronde Stable).I can't say enough about the hospitality and support given to me by the whole de Ronde family. Driving is their passion/business and they took me-a complete stranger=under their wing-and did everything possible to ensure that my experience would be positive. They provided the horse,harness,a carriage for dressage/cones as well as a carriage for marathon..plus..shipping to and from the actual show which was in Lahden,Germany..3 hours away. Koos..a world known 4-in-hand driver worked with me every day. Did I mention that I only had 7 days to work with his horse Tjibbe (pronounced Chibbuh)! There were also other U.S. drivers at Stal de Ronde..Diane Kastema(also on the Para team and also leasing a horse from the de Ronde's...Anna Koopman with her own pony preparing for Pony Worlds..and Janelle Marshall (team Australia) with Jackie Kane's (U.S.) pony Skye also prepping for Pony Worlds.

Here was our whirlwind schedule

8/25 Fly to Amsterdam

8/26-9/1 Train with Koos in Zwartewaal,Netherlands

9/1 Pickup Bruce Jones in Valkenswaard,Netherlands and drive to Lahden,Germany

9/4-7 Para World Championships

Did I mention that Bruce did all the driving and we drove on the autobahn...NO SPEED LIMIT!!!!!!!!!!

The show in Lahden was also hosting the European 4-in-hand Championships..which Koos was competing at. This was fortunate because we had the whole de Ronde family + HUGE-and I mean HUGE-trailers to work off of..and Koos continued to work with me and Tjibbe to prepare for the show.

The venue was awesome and the weather was perfect. The Europeans are much more into carriage driving than in the U.S. There were 28 drivers competing from 9 countries in the para division as well as 44 in the 4-in-hand division.

This event was similar in some ways to the Olympics. There was entertainment..speeches..a parade of nations..and..a 'nations' night where each country set up a table with food/drink options indicative of their country. We served chili, red/white/blue M&M's and Jack Daniels with Coke. The chili was a hit-the Jack not so much .

Thursday 9/4 was the dressage phase. One member of team USA..Tracy Bowman..won with her own Welsh pony. Tracy trains in Europe several months of the year. I managed to 'muddle' through with a less than stellar score.

We had Friday 9/5 off to check out the obstacles. They were challenging to be sure..but nothing I couldn't navigate with Bruce's expert help. I just want to add here that Bruce can look at an obstacle and see all the possibilities while my head is still trying to find 'A'. He was very patient with me and my 'old brain'.

Saturday 9/6 MARATHON DAY!

Bruce,Tjibbe and I were raring to go.

Sarah and family,Anna,Jackie and Janelle came to help out and cheer us on. Also..I forgot to mention..Abbie Trexler..ADS Executive Director and Teresa Bonny-Bon..ADS board

President..along with Steven Morrissey..USEF Director of Driving and...can't forget...MARCIE QUIST..our fearless Chef d'Equip...and Laura Werner..our team veterinarian.

The marathon was an EYE OPENER for me. It included an actual Section A. In my admittedly limited experience..the Section A's(warm up) in the U.S. consists of walking/trotting around in a controlled area for 25 minutes or so. This Section A was a 5K out and back 'course' with 2 control flags. It was a REAL timed workout.

Section B consisted of 6 obstacles. They were all challenging-it was a World Championships!-but Bruce mapped out a course for me that appeared very doable. FULL COMPLETE HONEST

DISCLOSURE HERE. No excuses-just an explanation. I have been

driving a pony for the last 2 years. Max is a marathon machine. I freely admit that he makes me look good every day. Tjibbe is a much bigger marathon machine. My plan was to win marathon and show everyone how it's done. I hope it's ok to state this in print..I had my ass handed to me. I either turned too early in the obstacles..and..literally..got stuck and 'moved the furniture'. Ring crew..cleanup in obstacle 1. OR..I turned too late and missed the gate. Do I think any of this was funny?..NOPE..maybe in a couple of years. I think it will sting for a long time.

Somehow..God and Bruce helped me..I was not eliminated!

I finished 28th out of 28.

I AM HUMBLLED

Cones competition on Sunday was a little less dramatic.

I had 3 balls down and time penalties on a very technical course.

Summation

scores from each team were thrown out..that would be my scores.

3. From the announcement on 7/9 as a member of the team

until the actual competition 9/4-7 I had almost no team to fund raise. Many people stepped up to sponsor me. I AM SOOO GRATEFUL!!

We..the driving community..need to come together and find a way to help fund/ support not only the para drivers..but..also the pony and horse drivers with aspirations to compete at the World level. The World Championships are not likely to ever be held in the U.S. and shipping equines+carriages to Europe is a very expensive proposition.

Judy and I spent our last 2 days in Amsterdam at a real working windmill Airbnb. We Ubered into Amsterdam and enjoyed a relaxing/informative cruise on the canals.

It was the trip of a lifetime for me. I would love to have another chance to compete in 2 years.

What do you say Judy...want to go to Poland?

Deb Marcuccilli

Hitching Up

Russet harness for sale.

It is far too big for my pony. I suspect it is a Smuckers, but can't find a makers mark. Saddle is 43", girth - 25", backstrap (shortened as far as possible) - 30" to crupper, breeching - 47", breast strap - 45", traces - 90", reins, headstall - 42" with 18" browband. Tried it in my pony once where we tightened everything as small as possible. A harness maker said it is too lovely a harness to carve up and resize. Asking what I paid for it - \$1000.00. **Gloria Waro 607.293.8087** or mommadukes3089@gmail.com
