President's Letter

October 2022

Greetings CVCA Family!

Fall has officially arrived and there is a definite cool, crisp feeling in the air, foliage is starting to change color and we even bit the bullet and turned the furnace on earlier this week! The flies are smaller and diminishing in numbers. This just may be the best time of year to take to the box seat and go for a drive with our equine friends!

Many of our CVCA members did just that on September 17th at the home of Sonia and Kevin Davies. It was a beautiful morning spent on well-marked and manicured trails. Plenty of meadows and trails as well as a hilly stretch which yielding spectacular views topped off by a relaxing trip on a quiet country road. The day was topped off with a dish to pass picnic on the front lawn of the Davies home. We have some darn good cooks! Raffle tickets for the CVCA tote were sold and there was lots of good conversation, fun and laughter!

Next up, is the drive at the Sears Family Homestead on October 1st. By the time you receive this the event will be a wonderful memory of spectacular views of Cazenovia area and good times with both equine and CVCA friends!

Our final scheduled event of 2022 is our Annual Brunch and Meeting on November 12th at The Lincklaen House in Cazenovia. The activities will include a 2022 year in review, recognition of retiring board members, election of new board members, our always popular Silent Auction and the drawing for 2022 raffle winner of a CVCA tote from Lands' End filled with a bounty of fabulous gifts! This is planned as a brunch this year and you are in for a treat with menu selections including fresh fruits, sweet breads, eggs benedict, quiche (yes, it is safe for CVCA men to eat!) and waffles with fruit and syrup! Full details and registration are included in this newsletter.

This is also the time to renew your CVCA membership! And also, the perfect time to reach out to a friend or family that has caught the carriage driving 'bug' this year to invite them to attend our meeting and join CVCA!

Your CVCA board has worked hard this year to provide a full calendar of events with a mix of virtual and in-person as well as educational and fun activities. We are beginning to plan the 2023 CVCA calendar and encourage you to reach out and let us know what you would like to have included in the program! This is our club and we want to host events that appeal to a many members as possible!

Hitch up and drive safely!

Judy

Sadoff Davies Drive 2022

The preparations for the Sadoff/Davies Drive, September 17, 2022 began long before with mowing of trails, trimming back brush and pick up sticks and limbs that had cluttered the trails. Much of this work fell on the backs of our hosts, Kevin and Sonia Davies.

The Sunday before the drive was a gloomy day with off and on showers but a hearty group of CVCA members took to the trails with clippers, chain saws and weed eaters to assure the trails were ready for all. You can be assured there was plenty of laughs and chatting along the way!

A total of 13 turnouts; 2 pairs and 11 single drivers along with 3 riders enjoyed the beautifully groomed trails which included rolling meadows, fields of goldenrod and wild flowers, wooded hillside trails and spectacular views of the countryside.

Honoring late CVCA member Terri (*I'll get the donuts*) Mather the day started with coffee and donuts supplied by Kevin and Sonia. Before hitting the trails.

Following the drive approximately 30 CVCA members enjoyed a covered dish lunch on the front lawn of the Davies' home. In true form, the CVCA cooks did not disappoint! The selection was varied and enjoyed by all!

Many thanks to those who assisted with trail preparations, setup and takedown and to everyone who brought favorite foods. And of course, a very special thank you to our hosts Kevin and Sonia Davies who host this drive each year to honor Sonia's parents, Mike and Jane Sadoff. They were among the founders of CVCA. Mike and Jane created the trail and made it exclusively available to CVCA members.

Sears Family Homestead Drive 2022

With Judy Sears laying out the trails and marking the route you could be assured a route that was safe for horse and drive and one that left no opportunity for losing your way!

We started the drive in the usual CVCA fashion with hot coffee and delicious donuts accompanied by lots of greetings and meetings! A total of 7 single turnouts joined by 4 riders, zig-zagged their way up the hillside enjoying breath-taking scenic overlooks along the way. Upon reaching the top they were greeted by Old Glory waving a welcome as an entrance to trails including wooded areas, pondside routes and even a favorite family picnic and campground spot! Views of Stone Quarry Art Park, Cazenovia Lake and numerous church steeples could be seen. And with nature's paint brush at work, the countryside was spectacular!

Following the drive approximately 20 CVCA members enjoyed plenty of laughs and stories as they shared their lunches on the lawn of the Sears' home which were topped off by some delicious desserts provided by some of our own CVCA members.

Then it was time to thank our hosts, load up and head for home. The Frechettes had a bit of an added adventure when they discovered not one but two flat tires! Fortunately, our hosts not only had a beautiful spot for a pleasure drive, they had a working compressor handy. A very hearty thank you to Judy and Phoebe Sears for offering their beautiful place for us all to enjoy and all their efforts to make this a drive CVCA members are already talking about returning to next year!

CVCA MEMBERS OUT AND ABOUT

North East Recreational Fun Drive: (NERFD): Submitted by: Judy Sobczak

During the weekend of September 23-25, 2022, some members of the CVCA attended the 2nd annual NERFD. This event was planned and sponsored by WNYCCA, (Western New York Combined Carriage Association). The event was held at the Southern Tier Stables in Moravia, NY. It was a well-rounded weekend of activities. There were trails to enjoy for a pleasure drive. There were multiple fun and clever cones courses to compete with fellow attendees. There was a barn dance right on site that we were invited to attend with community members. And, of course lots of delicious food to enjoy at the dish to pass dinner on Friday night and pizza on Saturday night. The "Bunk House" was the gathering spot for the group. The kitchen area was a buzz with breakfast activity on Saturday and Sunday mornings. Great conversation, laughs and gathering with longtime carriage driving friends, as well as making new friends. CVCA members participating during the weekend: Tom and Joanne Frechette, Sharon Baum, Lisa Teichert, Kathy Pratt, Paul Buck, Sue Sheffer, Donna Brown and Judy Sobczak
