## **President's Letter**

**In the blink of an eye, summer is winding down, the NYS Fair is underway and students and teachers are preparing for school to begin!**

**After a cool damp week that seemed a prelude to autumn, there is more summer like weather ahead! I know many of our CVCA members have been out and about enjoying area events! I hope you will let us know about your experience!**

**Our 2024 pleasure drive series continued on August 17 at Sheffield Farm in Ithaca. Kudos and a huge thanks to Sue and Jan Suwinski for opening up their beautiful facilities to CVCA members! Of course another thank you is due to organizer extraordinaire, Judy Sobczak for a fun filled day! Food, friends, surprises and prizes all in a fantastic setting what could be better! Now what do you think Judy has brewing for 2025??**

**Our spring 3-day clinic evolved into a summer 2-day clinic as we welcomed back clinician Tracey Morgan to the Morrisville College Equine Rehabilitation Center on July 10 and 11. Many thanks to Carol and Craig Buckhout for hosting Tracey in their home. We shared stabling with Morrisville College's own gentle giants; 10 huge Belgian geldings! We had several who shared in one of our clinics for the very first time as well as many who have participated in these clinics time and time again. It was fantastic to see so much comradery as members helped members loading and unloading vehicles and gear as well as heading while hitching and sharing in plenty of fun and frolic!**

**Based on the feedback received from clinic participants, it is likely that we will return to Morrisville and have to opportunity to learn from Tracey in 2025!**

**CVCA members joined together on July 14th for a combination picnic and work day on the grounds at Lorenzo. Once preparations were complete, we enjoyed a dish to pass picnic on the Lorenzo grounds.**

**CVCA was well represented just a few days later as our club booth welcomed both members and perspective members. CVCA members were seen volunteering all three days of the show as well as in the weeks and months leading up to the show as members of the LDC board and committee. And of course, as participants. Congratulations to all involved.**

**Mark your calendars now for our fall pleasure drives coming up on and September 21 and October 5. Full details on our fall drives can be found in this issue. These are some of my favorite events of the year! Hope to see you there!**

**Our 45<sup>th</sup> anniversary annual meeting is fast approaching! Full details and reservation form will be in the October newsletter.**

## LDC Workday and CVCA Summer Picnic July 2024

*Submitted by Carol Ilacqua*

On Sunday, July 14<sup>th</sup> CVCA members joined forces with Lorenzo Driving Competition Show Committee members to clean and organize items for the show. To all who stuffed, scrubbed, clipped, trimmed, swept, and polished, THANK YOU for all you did to help prepare for the Lorenzo Driving Competition.

Again this year, the CVCA crew cleaned the panels for a full-size driving dressage ring of rails (460 feet!) plus the numerous cones needed to hold the rails. Elbow grease was also liberally applied to assorted obstacle components and scores of orange driving and hazard cones. While this wet-n-wild soapy water task was occurring at the Maintenance Shed, other CVCA members were working in South Cottage polishing trophies and stuffing the competitor swag bags. All the champion ribbons were ironed (yes, ironed like with an ironing board and iron) and the rest of the ribbons organized for the show.

Trail trimming was done to clear the drive routes of pesky branches and overgrowth. The LDC Show Shed was not on the to-do list this year as it was emptied, cleaned and organized in early June by the LDC Board and Show Committee.

The Lorenzo State Historic Site staff were on hand to provide access and cleaning materials for us to use. The LSHS staff is hugely supportive of the show and look forward to the event every year. We are grateful to the LSHS staff for their help and enthusiasm.

Once work was complete, we gathered at the picnic table in the shade of the huge tulip tree to share in a dish-to-pass lunch of casseroles, salads, cheeses, dips, fruit, cookies, ice cream novelties- it was quite the feast! It was much fun catching up with one another and enjoying the lovely day.

LDC 2025 is a go (July 18- 20, 2025) and club members will again be asked to help with show prep. As our heads are get grayer and our joints get a bit creakier, let's hope we can recruit more (and dare I say younger?) CVCA members to help with the show prep-especially for the scrubbing duty at the Maintenance Shed.

With that in mind, here's to the CVCA LDC Workday and Summer Picnic 2025!

*Sorry that there are no photos of the workers in South Cottage! But an eyewitness reports that everyone there was good-lookin' and ambitious!*

# THANK YOU

The LDC Board and Show Committee would like to acknowledge and sincerely thank the following CVCA members for their contributions to the show as members of the pre-show cleaning crew, show volunteers, competitors and/or sponsors. It takes many, many people to make a successful show and these folks from CVCA certainly did their part. Thank you all!

## Lorenzo Driving Competition 2024

by Gary Slate, Vice President of Central Region, New York State Horse Council

The Lorenzo Driving Competition on July 19-21 this year offered a very mixed series of experiences. There were three days of classes for ring, obstacle, dressage and cross-country driving. In addition, there were several exhibits, horse-related presentations, and vendors on the grounds. Competitors came from several states, including Delaware, Virginia, Pennsylvania, Ohio, Canada, and of course New York State. As an interesting side note, the second pleasure judge, Dede Bushneck, from Southern Pines, NC, grew up in Cazenovia and the Lorenzo Driving Competition launched her driving career. Lots of local people came to watch, but for those of you who weren't able to be there, this quick overview should help you savor some of the atmosphere of the day.

The winners and placings of each class are available at [lorenzodriving.org](http://lorenzodriving.org), and from the menu, "Competitors", "Results". If you know some of these competitors, you can see their class standings and even their horse's name. The variety of classes should demonstrate how entertaining it was to see the different types of things you can do with a harnessed horse.

During the Saturday lunch break, Dr. David Remley (now of Honeoye Falls, NY) gave a demonstration of the coach horn. He had a number of original and new coach horns, and played several of the traditional coach calls, explaining what the call was telling other coaches or ground crew, such as a new team is needed for an incoming coach, or the coach intended to pass traffic on the left or the right. Like the bugle, the horn is limited to six notes, so great skill is required to play a variety of calls. Answering questions from the crowd, David explained how his livery clothing was accurate and serviceable in material and style, including his shirt, trousers and even boots. This was not a costume, but an accurate representation of a coachman.

Following this, some members of the Limestone Hunt Club gave a talk on the purpose, tradition, and use of hounds of their hunt. Ms. Barbara Lindberg, Joint Master, Limestone Creek Hunt, talked about the English traditions that recognized hunts such as Limestone follow, how they coach new members, and how the hounds are selected and cared for. Questions from the crowd brought many interesting and amusing stories from the speakers, and showed how the hunt, sometimes seen as snobbish, can actually be quite accessible to the general public.

On this same Saturday, The Oakman Carriage and Sleigh Collection was open to the public for the day, thanks to the patronage of the New York State Horse Council. This barn, rarely open to the public, houses a variety of carriages and sleighs that once

were owned by individuals in and around Cazenovia. They were collected by Anna Oakman in the 1920's and '30's to preserve what people were discarding in favor of automobiles. While the vehicles are largely unrestored (unlike the beautiful collection in the main Carriage House), many are very early examples of pioneer transportation and may someday be restored, conserved, or better displayed.

During the Sunday lunchtime demonstration, "Gael Orr, certified instructor with the American Sidesaddle Association, and her co-members of the Equestrian Heritage Society, demonstrated the art and elegance of riding sidesaddle and how it's used by modern-day riders from parades to cross-country". While I personally did not arrive in time to listen to this, there were still a couple of horses and ponies with sidesaddles that were being admired by spectators. That's one more thing that I don't see very often.

I also walked over to the stabling area to see the horses at rest, talk with owners, watch horses being harnessed and “put to” vehicles, and to note license plates from several states. Years ago, when my wife Sharon and I were showing, I noticed that once a show was over, I had been too busy to see very much of it. What I would like to emphasize here is that next year when Lorenzo rolls around, or even when there is a driving show in your part of the state, you really should plan on seeing what carriage driving is all about. Carol Buckhout, LDC board president, informs us that the dates for the 2025 Lorenzo Driving Competition are July 18-20, 2025.

# **SHEFFIELD FARM** PLEASURE DRIVE and FUN DAY

Submitted by: Judy Sobczak

On Saturday August 17, 2024, CVCA members and guests who were in attendance for the 12<sup>th</sup> annual Sheffield Farm pleasure drive and fun day got their motors running without a problem! Prior to the day, there was a lot of "weather-watching". Checking WeatherBug multiple times during the day, as well as watching the TV weather reports. As fun day drew near, the weather report began to "improve". It had been decided unless there were thunderstorms and a downpour, the day would proceed. As fun day participants started to arrive, they were greeted by blue sky and sun! Whew! Positive thoughts answered! Alas, as people began to hitch, the rain began. Though, not enough to dampen the enthusiasm of everyone. This was a hardy bunch! As everyone arrived, they were greeted by a barn decked out with car racing themed décor. It was in keeping with the theme of the day: Sheffield Farm 500. A checkered flag banner and a welcome race fans banner hung from the ceiling. Race photos, as well as authentic clothing worn by actual drivers and crew chiefs were on display. There were doughnuts and hot beverages, as well as good conversation enjoyed before everyone hitched up and headed out on the pleasure drive course. This year's pleasure drive course was 6.2 miles long. There were new trails that were enjoyed. The course was expertly marked by Sheffield Farm owner, Jan Suwinski, with assistance from Ryan Saul. As the drivers returned from the drive, (a little wetter than when they left,) the smiles couldn't be denied, and compliments about the drive were shared. One attendee, who has attended in at least 9 previous fun days, said this year's course was the best yet! Many others agreed with this assessment.

Following the drive, everyone enjoyed a dish to pass lunch. The main meat dish, provided by the CVCA, kept with the theme: chicken speidies. With so much delicious food, if anyone left hungry, that was their fault. Well done CVCA members and guests for sharing and bringing your favorite dishes. In what has become an expected tradition, after lunch a few games were played. An on-course observation game that involved checkered flags placed out on the course, with different colored numbers on the flags. The number: 12, to signify the 12<sup>th</sup> year of this event. Drivers had to guess how many flags were out on the course, as well as how many had numbers and what colors were the numbers. Hey, we had to make this game challenging as the prize was worth it! A year membership to either the CAA or the ADS. The winner's choice. The second game, a trivia contest, based on the days theme. Questions about car racing, horse racing and other types of racing were asked. Again, a tough contest, because the prize: 4 bottles of wine was worth it!

Interspersed

during lunch, many donated door prizes were drawn. Congrats to all the lucky winners! Before the afternoon games began, a costume contest was held. Of course, the contest "requirement" was that the costume had to be based on the theme of the day. Congrats to Sharon Baum and Munch as "Slow pony for Sale". Honorable mention went to Tami Magus and Roc, portraying "Easy Rider".

Because of the wet conditions some adjustments were made with the afternoon of driving games. 2 races were canceled and the cones course, the Tortoise and Hare were set-up in the indoor arena. The final game of the day: the 500-meter race ended up being a match race between just 2 people who decided to stay until the end and compete in the race. This race began with 1 of the contestants "cheating" as the race "rules" stated it was to be a trotting race. Canter not allowed. 1 contestant followed the "rules" until reaching the barrel. Then, as both contestants rounded the barrels at the end of the field, all rules and bets were off, as it became an all-out cantering race! I think there was a bit of "smack-talking" happening between both contestants! So much fun!

1 day, 2 riders, 3 pair teams and many single hitches and others without their driving partners were in attendance for a fun filled day! The rain, be damned! A wonderful day enjoyed by many!

As you can imagine, it takes a village to prepare and carryout this day. There are many people to thank! To Sheffield Farm owners, Jan and Sue Suwinski: thanks for sharing your beautiful farm with CVCA members and invited guests. We are so lucky that you make your farm available to us. Also, for providing the coffee and doughnuts to be enjoyed in the morning. To Jan and Ryan Saul for your many hours of lawn mowing, trail mowing and trimming of brush, as well as designing and marking an awesome pleasure drive course. Paula Wedemeyer, for helping me with tree trash pick-up. There was a lot to be picked up!! Joan and Ronnie Shaw for providing all the great racing items. Sue Sheffer for helping with ideas for the day...driving games ideas and course design. She also came up with this year's theme. Many thanks to everyone who attended, both CVCA members and non-members as well as invited guests. This event wouldn't happen without your support and enthusiasm! I truly enjoy planning this event each year.

Thanks also to the following businesses/organizations and individuals who donated prizes for the day: Weatherbeeta, Mrs. Pastures cookies, Chicks Saddlery, Triple Crown feeds, Yonies Harness Shop, Rebecca Goodwin from Ithaca Agway, Carriage Association of America, (CAA), American Driving Society, (ADS), Sue Sheffer and Judy Sobczak.

## Driving Show

## Avon Driving Park Pleasure

Submitted by: Judy Sobczak

The town of Avon, NY was filled with excitement the weekend of July 26-28 due to the 3<sup>rd</sup> annual Avon Driving Park Pleasure Driving show. Folks, this is truly a gem of a show. It is a local show, with no need to travel and haul your driving partner for hours. A lovely location, that is easy to arrive at.

With an appreciative and eager town board that wants to bring back more equine events to the park. In years past, there were dressage shows held at the park. Also shows sponsored by the Genesee Valley Thoroughbred Breeders Association. There still remains a dirt Standardbred training track, which is still in use today. Currently used by a resident Standardbred trainer, (who happened to stop by the show daily, as he was very curious about carriage driving!)

Per what has become a show tradition for the Sunday morning pleasure drive through town, the Avon mayor, Mr. Rob Hayes, rode with CVCA member Tom Frechette, in the lead carriage, as show competitors headed out. Appreciative and enthusiastic town residents lined the streets. Some even tailgating, and cheering as the competitors passed by.

There were several CVCA members who competed at this show. Also, there were several CVCA members who worked as volunteers.

The following members competed: Amanda Casamento, Tom Frechette, Dirk Young, Liz Murphy, Teresa Jackson, and Carol Buckhout.

All CVCA members presented themselves well. Winning, or placing in their Combined test and their pleasure show classes. As well as winning division championships. Dirk Young, who was the overall high point gentleman to drive, as well as winning the horse division championship. Tom Frechette was the winner of the pony division championship. Congratulations to everyone!

As we all know, show volunteers are the backbone of a show. Without them, there would be no show. Several CVCA members served as volunteers during the show. Sharon Baum, Deb Marcuccilli, Lisa Teichert, Sue Sheffer and Judy Sobczak. Lisa, being very game, was "recruited" to be the show ring master. Having never done this job before; she was awesome! Sue and Judy were the show secretaries. For Judy, this was her first time in the position of show secretary. Working along side Sue, with her many years of experience as show secretary at various shows, Judy learned a lot and enjoyed the experience.

In 2025, more CVCA members should really consider adding this show to their list of competitions! You won't be disappointed!
