

**How to Make Espresso:**

1/4 cup instant coffee

3/4 cup water

How to Make Sweetened Milk:

1 cup milk

1/2 teaspoon sugar

To a small sauce pan add instant coffee and water. Bring to a boil over a low heat.

To a separate sauce pan add milk and sugar. Over a low heat warm the milk until it begins to lightly bubble.

Whisk the milk until it is lightly foamy.

To a small mug add the milk and spoon in a little bit of the milk foam.

Top off with the espresso.
