# WARNING

Read this manual thoroughly before using the window cleaner to ensure proper operation. The information provided is a general reference; differences may occur due to product improvements. Images are illustrative. Design and functionality are subject to change without notice.

## KIT CONTENTS

- 1 x Magnetic window cleaner
- 30 x Cleaning pads (10 large + 20 small)
- 35 x Pad holders
- 4 x Replacement rubber strips
- 1 x Storage bag
- 1 x Microfiber cloth
- 1 x Anti-pinch safety component

## SAFETY PRECAUTIONS

- Keep out of reach of children.  
This product is NOT a toy.
- Handle magnetic parts carefully to avoid pinching.
- Always place the anti-pinch component between magnets after use.

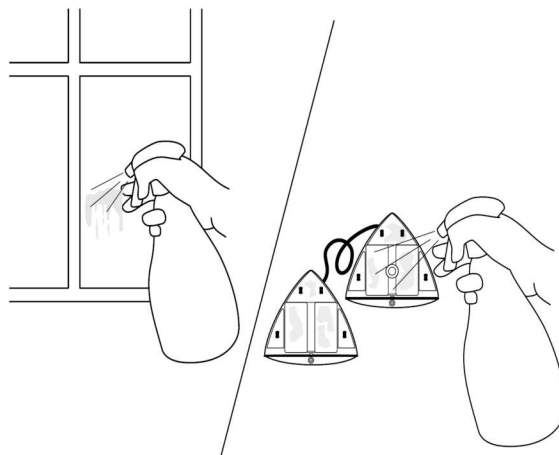

# USER GUIDE

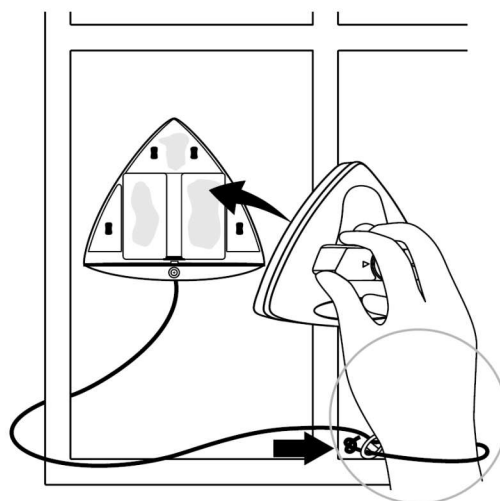

## PREPARATION

- Moisten the glass and cleaning pads.
- Apply a generous amount of cleaning solution to both.

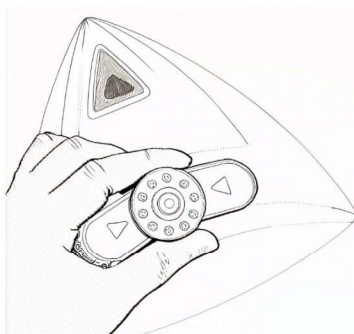

## PLACEMENT

- Attach the safety strap to your wrist.
- Place both halves of the cleaner on opposite sides of the glass.

## ADJUSTMENT

- Adjust magnet strength using the intensity selector (10 levels) based on glass thickness (5–25 mm).

Level 1-3  
Glass 0-5 mm

Level 3-5  
Glass 5-10 mm

Level 5-7  
Glass 10-15 mm

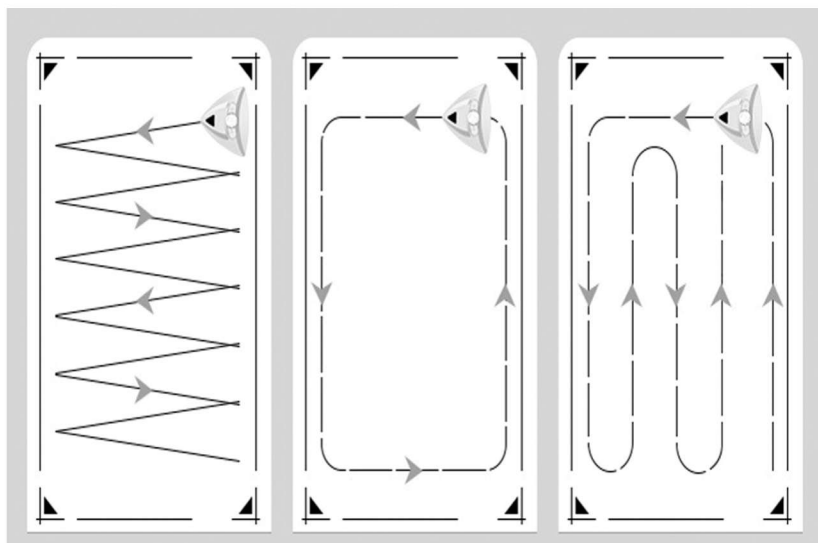

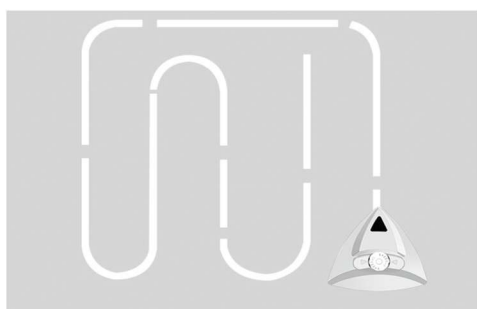

Level 7-10  
Glass 15-25 mm

## CLEANING

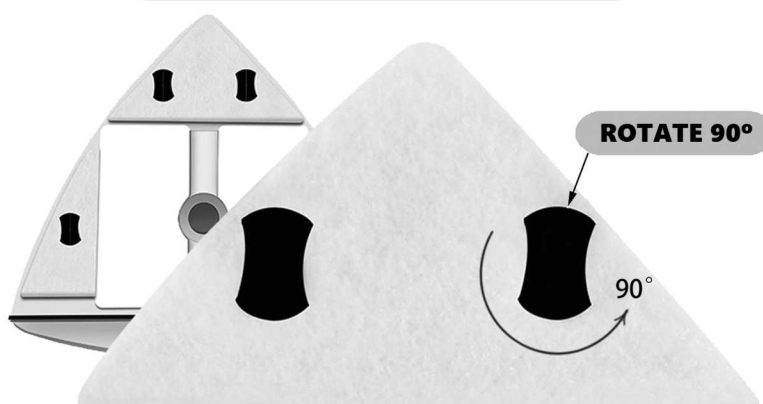

- Gently move the device in zigzag or S-shaped motions for even cleaning.

## AFTER USE

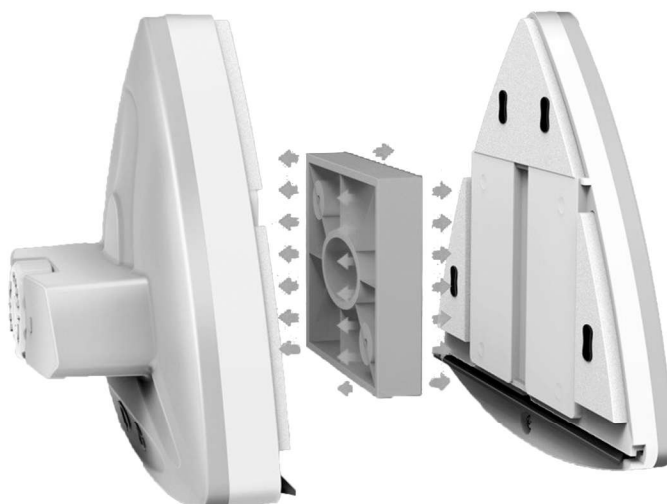

- Remove cleaning pads.
- Wash with water and soap.
- Air-dry thoroughly.

### CLEANING PADS REPLACEMENT

## STORAGE

- Always attach the anti-pinch component before storing.
- Store the cleaner in the provided fabric bag.
