From Archives

From the Archives - from the minutes of a meeting of the Cathedral Corporation dated May 6, 1924 - "Moved by C. Gamble and seconded by S. Davidson that the Bishop's Wardens and Canon Residentiary be appointed a committee to bring in a report on needed repairs to the Cathedral Sunday School room and St. Mary's Church with authority to act. Carried." However, the meeting of June 4, 1924, had this to say: "Mr. W.M. Traill on behalf of the Committee on Repairs to St. Mary's Church reported on what work they had done and asked for further assistance with transportation." The next meeting of September 9, 1924 had this: "Canon Strong reported having interviewed General Hughes, Inspector of Penitentiaries, on his recent visit to Prince Albert and that General Hughes was willing to meet representatives of St. Alban's and arrange for the future maintenance of the cemetery." There is no further information on what the Sunday School room required in repairs, except that the proposed cost was deemed too high, and that volunteers would undertake the work. *(See photos on Mailchimp.)*
