From Archives

This week marked the 99th birthday of a pillar of St. Alban's Cathedral. Percy Cunningham arrived in the world on April 21, 1927 (he shares his April birthdate with the late Queen Elizabeth). He married Gladys Dorothy Gear on October 3, 1948, at St. Alban's, with Canon Noble officiating, and celebrated 74 years of marriage before Gladys died in 2023. They were both dedicated to the physical maintenance of the Cathedral and the weekly Cathedral events. The word "volunteer" in a dictionary should have their names inscribed there. Percy's energy and enthusiasm for the world and people around him serves as a wonderful example to the rest of us. Gladys and Percy donated the magnificent stained-glass window on the south wall of the Sanctuary. (See photos on MailChimp)
