Topic: Reece Aultman

To Whom It May Concern:

It is with great pleasure that I recommend Reece Aultman for your scholarship program. Reece is an exemplary student, leader, and athlete. As his Senior English teacher, I can attest to his willingness to complete every assignment promptly and correctly. My class is not a regular English class as it is considered dual enrollment in which my students receive college credit; therefore, the class is more difficult.

Reece is a leader in our school and our community. I have been impressed to watch this young man lead our community over the past few years to participate in his annual Under the Lights Wiffle Ball Tournament which serves as a charity event that has raised thousands of dollars for both cancer patients and missionaries.

His heart to serve is also seen in the other clubs and organizations in which he is a member. He is dedicated in every aspect of his work. With his membership in many activities, he must be organized and committed to complete both his extracurricular activities and school work at such a high level. He is also a member of the National Honor Society which is a prestigious honor at West Monroe High School. It requires not only academic achievement but also integrity and service.

As a member of the West Monroe High School Football team, he also has demonstrated his willingness to work hard to achieve goals. Football requires a great deal of time and dedication as our school carries a tradition of over twenty straight years as district champions in one of the most competitive districts in Louisiana. This year, West Monroe was undefeated in the regular season and through playoffs placing as second runner up in the state championship. During those games, Reece was a very important part of the team as our field goal and place kicker. His leadership on the field and dedication to the sport was evident as a senior member of the team.

I feel confident that the information on his application speaks volumes as to his abilities. Reece would be an excellent representative of your scholarship to further his education.

If you have any questions, please don't hesitate to contact me.

Sincerely,

*Tammy K. Rodgers*
