BETTER TEST INTEGRITY.

2

WE ARE HUMBER

When:

- Started in 2014
- Have tested over 7500 in the online testing environment, and the number grows each year

3

Why:

- Initially started as an option for international students to test
- Flexibility for students and our Centre
- Ease of reporting/review
- Standardization/Security
- Limited Resources required – easy for students to access

4

How:

- Worked with our Registrar's Office and Liberal Arts and Sciences Departments
- Created reporting to assist with online voucher creation
- Offered to students with convenience fee for online option
- Trained staff on use of system and how to sell to students
- Can be done in any test environment – Accuplacer, Vretta, Blackboard

5

Opportunities:

- Control over testing outside of Centre
- Ability to grow services – can be used for variety of testing
- Revenue generating opportunity (if interested)

6

What you need to know:

- If connection is lost, control of student machine is also lost
- You are charged for no-shows – keep in mind if you pay direct
- Levels of Service:
    - Level 1 – Automated Proctoring ($9/1st hr, $3/hr)
    - Level 2 – Record and Review Proctoring ($12/1st hr, $5/hr)
    - Level 3 – Live Proctoring, required for some testing ($15/1st hr, $7/hr), If Accuplacer test, cost is $25
    *all in USD
