# Your Wedding Reception

at

**Hayling Island Community Centre**

## About Us...

The Community Centre was built in 1981, and is based in the very heart of the Island, on the edge of West Town Shopping Centre and within the pleasant surroundings of Hayling Park, with ample free parking. We are a registered charity (271878), serving the local community of Hayling Island. Income generated from room hire is reinvested back into the Community Centre to support our commitment to provide first-class services for our community.

**Hayling Island Community Centre** really is the ideal place for your Wedding Celebration. Spacious, flexible and with all the facilities you need for you to plan your own wedding reception, the way you want it—but without breaking the bank. Under our beautiful indoor ceiling canopy our Hall is transformed into a wonderful venue that can accommodate up to 250 people. The hall boasts one of the finest dance floors and stage in the area, providing space to dine in comfort, to dance and enjoy the celebrations. Theme your wedding any way you want and we can help you with everything you need to make it your perfect day. We can recommend local suppliers of everything from balloons, to caterers and D.J.'s, enabling you to plan everything you need for a perfect day from trusted, experienced people who know the area and the location and can be relied upon to provide just what you and your guests need.

**The Hall** leads to the adjoining function room which includes a fully licensed bar. The bar is well stocked and serves a selection of beers, wines, cocktails and spirits at competitive prices and can also provide an opportunity for your guests to relax away from the music and dancing if they wish to. The bar team will ensure that everybody is well looked after. You can pre-order wine for the tables, welcome drink, toast etc as required through the Centre Manager who will work with you to meet your requirements and within your budget.

**You are free** to make your own catering arrangements, and have the use of a large, well equipped kitchen. Alternatively, we can recommend outside caterers who are experienced at providing wedding fare to suit your theme and style.

**To discuss your perfect day**, for more information or to arrange a viewing, please contact The Centre Manager on 02392 467562 or email [enquiries@hicca.co.uk](mailto:enquiries@hicca.co.uk) and let us help you plan one of the happiest days of your life.
