

## The Tri County Puzzlers Privacy Policy

Tri County Puzzlers is dedicated to respecting and protecting your privacy and data. We have open sourced this policy with the intent to comply with the Privacy Act of 1988. Tri County Puzzlers values your privacy and will act to ensure it is protected.

### Our role in your privacy

If you are a Tri County Puzzlers customer, subscriber or visitor to the website, this policy applies to you. Before agreeing to contract with Tri County Puzzlers for any type of business, it is your responsibility to read all Privacy Policies posted by Tri County Puzzlers.

- If you are a visitor to the Tri County Puzzlers website, we act as a data controller of your personal data.
- If you are a registered customer of Tri County Puzzlers we act as a data processor of your personal data.
- Tri County Puzzlers determine how personal data is stored, transmitted and processed on all transactions.

### Your responsibilities

Read this Privacy Policy

If you are a customer providing personal information, check the contract or agreement between you and Tri County Puzzlers as they may have additional information on how your personal data is used.

If you provide personal information of other people, or if others give us personal information about you. Tri County Puzzlers will only use that data for the purposes it was provided to us. By submitting the personal information you confirm that you have the right to authorize Tri County Puzzlers to process that personal information on your behalf in accordance with this Privacy Policy.
