(By signing application, you are agreeing to the terms of our contract. Beach City Kitties reserves the right to remove any adopted cats if we find they are being mistreated in anyway or you have lied on your application! While our goal is for adopted cats to stay with their new parents for life, if an emergency happens at any point and you are no longer able to care for your cat, please contact us and we will safely rehome the cat. Please do not rehome yourself or bring to a shelter. The shelters in Los Angeles and much of the country are kill shelters. Contract violations will be persecuted)
