Dear Mr. Gilbert:

In the past four years I have had the pleasure of doing business with you and (Robbie), the technician assigned to the International Longevity Center account. I am writing not only to thank you for your involvement and contribution in regard to the fire alarm system, but to also commend you for your efforts in helping to maintain and ensure the effective functioning of a very sophisticated unit.

It is because of your diligence and consistent involvement that I have been able to learn and effectively operate the unit in a manner that ensures the safety of all of the employees here. Superior Protection Services has been an integral part of our operation and I am certain that with the continued support of both you and your technician, our organization will thrive in a safe and secure environment.

Thank you for all of the assistance that has been provided in the past and we look forward to a continued relationship with Superior Protection Services.

Best regards:
