Dear Stu:

Rarely have I been able to offer a more heartfelt, or for that matter, unqualified recommendation than I can for the aptly named, Superior Protection Services.

From my initial contact through design, filings, fabrication, installation of system and subsequent servicing and inspection, you and your entire team have proven to be not only consummate professionals, but sensitive individuals who have always acted with the greatest respect for our school, teachers and students as well.

Now that we are in the process of expansion, I turn to you yet again for your expertise, fairness, understanding and reliability.

Very truly yours,

Mark Mitchell Aubel
Executive Director
