To whom it may concern:

The undersigned is the General Manager of Hudson River Management LLC, a real estate property management firm. One of our properties, Independence Plaza North, is a multi-family apartment complex with thirteen hundred thirty-two (1332) apartment units and ten (10) commercial tenants.

Recently, our firm had a problem with a contractor who could not seem to complete the restoration of a very large and very old fire alarm system that is situated throughout three thirty-nine story interconnecting tower buildings. Accordingly, the system was not able to pass the requisite inspection.

At our wit's end, we called in Superior Protection Service. Under the leadership of Stu Gilbert, Superior Protection was able to straighten out a seemingly incurable mess *and they did so in record time.*

~~I~~ have the highest regard for Mr. Gilbert.

Very truly yours,

Harold N. Cohn
