To Whom It May Concern:

This letter is my personal recommendation for Stuart Gilbert.

I have worked with Stu on many projects. He is extremely knowledgeable and has experience designing, installing, and ensuring code compliance of fire alarm systems.

He possesses outstanding technical skills and the ability to work in coordination with technicians and other engineers. His proficiency and expertise has assisted him in resolving many critical technical matters. He was always enthusiastic and willing to learn new things related to his work.

If you have any questions concerning your protection, please call me anytime, at (212) 840-5140.

Very truly yours,
