Dear Mr. Gilbert,

Words alone are not adequate to express our sincere gratitude for your assistance to our church in obtaining our Letter of Approval for our fire alarm system from the FDNY. You truly went far beyond the scope of your responsibility to make sure that we accomplished this most important task. It is obvious to me that you did this out of a sense of genuine care and concern for the well-being of our church.

Along this journey over the past seven months I realized how respected you are in the FDNY and with vendors who install and service fire alarms in our region. Your customer service is unparalleled, and I want to express our extreme satisfaction with Superior Protection Services and your personal attention to your clients.

The International Baptist Church staff and congregation join me in thanking you for your friendship, professionalism, and industry expertise.

Sincerely yours,

Raymond Cazis
Pastor
