Recommendation Letter for:
Superior Fire Protection Services
c/o Stuart Gilbert
PO Box 123
West Hempstead, NY 11552

Dear Stuart:

It is with great pleasure that I provide this testimonial on your behalf.

I have been a NYC Licensed Electrician for over 20 years. We specialize in industrial and institutional electrical installations and have worked on dozens of fire alarm systems throughout the years.

I can state unequivocally that Stu Gilbert is THE premier authority on NYC fire alarm codes, system repair and installation.

His wealth of knowledge is unmatched and contractors, building managers, industry experts and inspectors regularly rely on his vast technical expertise.

I am proud to call Stu both a friend and business associate. For further inquiry, I can be reached at 718-253-1335.

Sincerely,

Rich Mednick
