To Whom It May Concern,

It is my privilege to write this letter of professional recommendation for **Stuart Gilbert**, with whom I have had the pleasure of working for over ten years on multiple projects. Throughout our professional collaboration, Stu has consistently demonstrated exceptional expertise, particularly in the areas of **FDNY regulations and New York City Building Codes**. His deep knowledge of these complex requirements has been invaluable in ensuring compliance and delivering successful project outcomes.

Stu is not only highly knowledgeable, but he is also **remarkably generous in sharing his expertise**. He is always willing to assist colleagues, clarify technical details, and provide guidance that elevates the entire team's performance. What sets Stu apart is his commitment to going **above and beyond expectations**. He routinely conducts thorough research to identify the most effective solutions, ensuring that issues are resolved in a comprehensive and timely manner.

In my professional opinion, **Stuart Gilbert is an expert in fire systems**. His technical proficiency, problem-solving abilities, and dedication to excellence make him a trusted resource and an asset to any project or organization.

I recommend him without hesitation.

Sincerely,

Tomasz Stachyra, P.E.
