

60,000 lbs. Direct Drive 8-Post Yacht Lift

THE NEXT GENERATION

O F B O A T L I F T S

From a 1,500 lb. Jet Ski to a 300,000 lb. Mega-Yacht... Neptune Boat Lifts makes the aluminum lift that's right for you!

Located in the heart of South Florida, Neptune Boat Lifts, Inc. specializes in the manufacturing of the first **Industrial Duty Boat Lift**. With over a century of combined expertise in the marine industry, Neptune's design and manufacturing team has integrated a **fresh modern look** with **innovative new designs**. It is this winning combination that has rapidly propelled Neptune Boat Lifts to the forefront of the industry.

200,000 lb. Direct Drive Mega-Yacht Lift

Neptune's Mission:

Design, manufacture and implement the **highest quality** and **most reliable** boat lifts in the industry.

Maintain a fair, **competitive price** while never sacrificing exemplary **customer service** or **product quality**.

WHEN TIME IS OF THE ESSENCE!

• **Fastest Lift in the Industry**

• Patent Pending All Aluminum, SuperFast Direct Drive System

• Available Option on All Neptune Lifts

• 40% More Energy Efficient

• Lifting Speeds up to 14 Feet per Minute

• Stainless Steel Neptune Motors

WHEN TIME IS OF THE ESSENCE

27,000 lb. G6 SuperFast Direct Drive Elevator Yacht Lift

24,000 lb. G6 SuperFast Direct Drive 4-Post Lift

WHEN TIME IS OF THE ESSENCE

24,000 lbs. G6 SuperFast Direct Drive 4-Post Lift

40,000 lb. G6 SuperFast Direct Drive Elevator Yacht Lift

50,000 lbs G6 SuperFast Direct Drive Yacht Lift

4-Post Boat Lifts

4,500 LBS. TO 30,000 LBS.

- All Aluminum and Stainless Steel Construction
- Available in Multiple Drive Configurations, including:
 - **Direct Drive** (no belts or chains)
 - **G3 High Speed Direct Drive** (optional)
 - **G6 SuperFast Direct Drive** (optional)

- Marine Duty Neptune Stainless Steel Motors
- Standard Grooved Cable Winders
- "Quick Adjust" Stainless Steel Cables
- Heavy Duty, easily adjustable Guide Poles
- Extruded Aluminum Bearing Blocks
- **Welded Construction** (not bolted)
- Aluminum Pulleys with Stainless Steel Axle Bolts & Grease Fittings
- **SEArmor Corrosion Resistant** Package (optional)
- **10 Year Limited Warranty**

16,000 lb. Direct Drive 4-Post Lift

4-Post Boat Lifts

4,500 LBS. TO 30,000 LBS.

16,000 lb. and 10,000 lb. G3 Direct Drive 4-Post Lifts
