

Paging Nurse Cedar!!!!

Paging Nurse Cedar!!!! is a book that I wrote and illustrated for my oldest niece, Cedar, who wanted to grow up and work as a nurse, but she did not like needles or the sight of blood. The book provides an overview of multiple medical careers, such as Audiology, Optometry, Physical Therapy, Exercise Physiology, Radiology Technician, and Pastoral Care that do not involve needles or blood.

To request additional information about this book, please contact me via phone at 507-317-2938 or by email at bbartos907ak@gmail.com. Ordering is conducted by individual or batch-printing.
