

“Passport” for Diabetes Management During Travel, Self-published, Bartos, B, 2018/02/10.

Tips for traveling with diabetes are written and drawn out so they are easy to follow. Preparation, safety, and awareness are important. This information is available in a passport-size booklet so it will be easy to pack.

Please contact me by phone at 507-317-2938, or via email at [bbartos@bonniebartosportfolio.com](mailto:bbartos@bonniebartosportfolio.com) if you have any questions about these drawings. Some of the Asthma Picograms appear in the Photo Gallery at the bottom of the website.
