

Pictograms for AADE7 2011 Edition: Putting the Puzzle Together, Bartos, B, Pictorial patient education materials published independently by B. Bartos, Mountain Lake, MN 2011.

This publication contains drawings that display diabetes care, signs, and symptom information in a visual format with limited, basic print. Important self-care topics, including mental health and its Impacts on chronic health issues, are featured in the booklet.

Please contact me by phone at 507-317-2938, or via email at [bbartos@bonniebartosportfolio.com](mailto:bbartos@bonniebartosportfolio.com) if you have any questions about these drawings or would like to obtain one or more booklets. Some of the Diabetes Picograms appear in the Photo Gallery at the bottom of the website.
