With Heartfelt Gratitude

Thank you to every soul who showed love, generosity, and support. Your contributions go far beyond dollars — they bring hope to families, smiles to children, and opportunity to students. Because of YOU, we are able to support Back to School efforts, Christmas giving in Jamaica, and the Shawn C. Anderson Scholarship. Every name listed here represents community, compassion, and commitment to uplifting others. From the depths of our hearts, we thank you. May your kindness return to you multiplied.
