

SUNSET CEREMONY CULTURAL CEREMONY

Dear Community,

WVRA Inc. Supported the cultural SUNSET CEREMONY event by applying for and managing a stall which displayed Indigenous books by local authors, together with an important petition regarding further mining by foreign owned Peabody mine under the Woronora Dam.

This part of the stall was managed by Dr Catherine Reynolds.

The information book stall was managed by committee members and provided an opportunity to educate and support culture.

This Event was first initiated by well-known local Indigenous Elder Uncle Max Dulumunmun Harrison in conjunction with Sutherland Shire Council.

The day and stall were a huge success including broadening cultural awareness and learning how to care for country.

Thank You Sutherland Shire Council, Aunty Calita and her Dance group, Uncle Dean with his knowledge and all those in attendance who made it such a success.

Robyn Galvin (President)
Marelle BB (Secretary)
