Applicant must also provide documented Proof of residency (two types, one of which is government issued)

There shall be a three (3) year probationary period for all new members. During this period, Regular members will be required to perform the designated number of work hours per year as determined by the Board of Governors. Failure to perform these required work hours will result in expulsion from the Club upon proper notification.

Membership does not guarantee a slip. Members will also be assessed a per foot slip fee when space becomes available for your boat.

Applicant Signature: _____ Date: _____

Any false statement on this application will result in automatic rejection of the application.
