Dear Parents and Carers,

We hope everyone has had a restful summer. It has been so wonderful to see the children back at school and hear about their summer holidays.

The children have all settled back in tremendously well, they have thrown themselves back into activities and we can already see new friendships blossoming. We are very excited to see what this year brings!

As the nights draw in we would like to remind everyone to be extra vigilant in the community. If you're out and about wear light coloured clothing in the evenings, use pedestrian crossings and if you're walking in the dark use main routes with street lights.

If your children go out to play now is the time to begin reducing the time they need to be home for, making sure they come in 'before' it goes dark.

Last year we had drop-in sessions with Dawn (family support officer) available at Fenton every Tuesday morning, however this did not prove beneficial to our families.

Please can parents and carers speak to Amy SR or email admin@kaleidoscopeschool.co.uk with any suggestions/feedback with how you think our family support service would benefit our families.

Our Fika mornings will continue to take place on the second Thursday of every month at Bradwell Lodge, Porthill. Again, if you have any suggestions on topics you would find beneficial, please let us know.

We would also like to take this opportunity to thank you all for your continued support as we grow together as a school community.
