I would recommend this school to another parent

"Another amazing year at kaleidoscope, my child has settled into the new setting with ease and that's down to the planning and support of the staff. Would always recommend the school to parents with SEN children and always praise the school to anyone that will listen. We will always be grateful to kaleidoscope and can't thank everyone enough for what they do on a daily basis for our daughter. "

"I like how the children are looked after and given equal opportunities. "

"Amazing school and amazing staff help me a lot thank you "
