#### Parent responses:

My child loves coming to school and runs in happily most mornings! Everyone is very friendly and approachable. I personally feel able to talk freely to the staff regarding any concerns that I may have. I am unaware of the weekly timetable (ie. PE, lessons) I would also like a list of the teachers/TA's/helpers who support my son (as I keep forgetting names!). This would help me to engage with my child and speak about the day he has had.

Kaleidoscope has been fantastic with my son. My son actually wants to attend kaleidoscope, we have no arguments in the morning. He has greatly developed his social skills in a small matter of time while attending Kaleidoscope. His mental health has significantly improved, and he enjoys coming to school everyday. All the staff support my son with his everyday needs to learn, have fun, and build positive relationships with his peers. I feel very appreciative to all of the staff for helping my son so much. I cannot thank them all enough. Kaleidoscope has been a 'god send' to my son and his family.

My child loves coming to school and is excited about each day he comes
