Parent responses:

- A fantastic school with fantastic staff. I cannot praise the school enough for what they do for my little girl. She is always happy to go to school. I love that they get to go out in the community and swimming every week. Although she has only been at the school a couple of months the improvements we are already seeing are amazing. Nothing is too much trouble for the teaching staff and they are always happy to answer any questions. Sam is a wonderful headteacher who I believe has the best interests of the children through and through. Honestly couldn't be happier with the setting.
-
- very happy about kaleidoscope school and their dedicated team of staff..
-
- It would be lovely to see what the children have achieved **Target wise every day or once a week as it's something that's spoken about at home**. Hopefully we will have updates regarding how children are getting on education wise in due course.
- Our child is so excited to come to Kaleidoscope every morning. The staff keep in touch even over minor things and every time we speak on the phone I can hear the pride in their voices regarding the children. I truly believe the staff want the best for each child and treat them like they would want their own to be treated. We can't thank you enough for everything you do for our child. "
- I think kaleidoscope is fantastic, my child enjoys coming to school and always comes home talking positively about their day. Thank you to all the staff at Kaleidoscope for making the school a fantastic, caring and supportive place for our children to learn and flourish.
-
- My son has only been with you a couple of weeks so I can't comment much, but so far he loves Kaleidoscope and we're really happy with the school. Thanks all.

Direct action taken because of feedback:

- Parents have been given reviewed IESPs with data updates for their child to show their academic progress. Baselines and the curriculum have been explained to parents
-
- Target sheet to be created to show overview of what the children are working on specifically in class to be shared with parents (1 target from each subject area Eng Math PSHE to be helped to be worked on at home) or to be added to the IESP documents that are sent home
- Send home on SeeSaw pictures school improvements of sensory room, classrooms, hall areas etc to show areas in school we are developing
