

SOME QUOTES/THOUGHTS

"If a man empties his purse into his head, no one can take it away from him. An investment in knowledge always pays the best interest."

– Benjamin Franklin

'Alone I can 'Enjoy' but together we can 'Celebrate'.

First You Deserve Then You Desire

Lean is mother like attitude

QMS is nurse like attitude

BOTH go hand in glove

Your goals should be written in concrete and let the path be in sand

*When you enter to conference room you should have **AGENDA** and
when you leave conference room you should have **MOM** (Minutes of
meeting)*

*Do not believe in **statement**, always believe in **evidence***

Say what you do (documentation)

Do what you say (implementation)

Prove it (records)

Improve it (continual improvement)

Believe in every one, but trust no one

Believe in everyone and wait for no one

None of us is equal to all of us

Next change is.....

Let seed germinate...be patient for fruit

Weak people look at others failures ...strong people learn from mistakes & do not compare

Like all journeys in life, this too will have challenges and to those who choose to endure them my words of advice.... "Rise and Rise again, until Lambs become Lions"

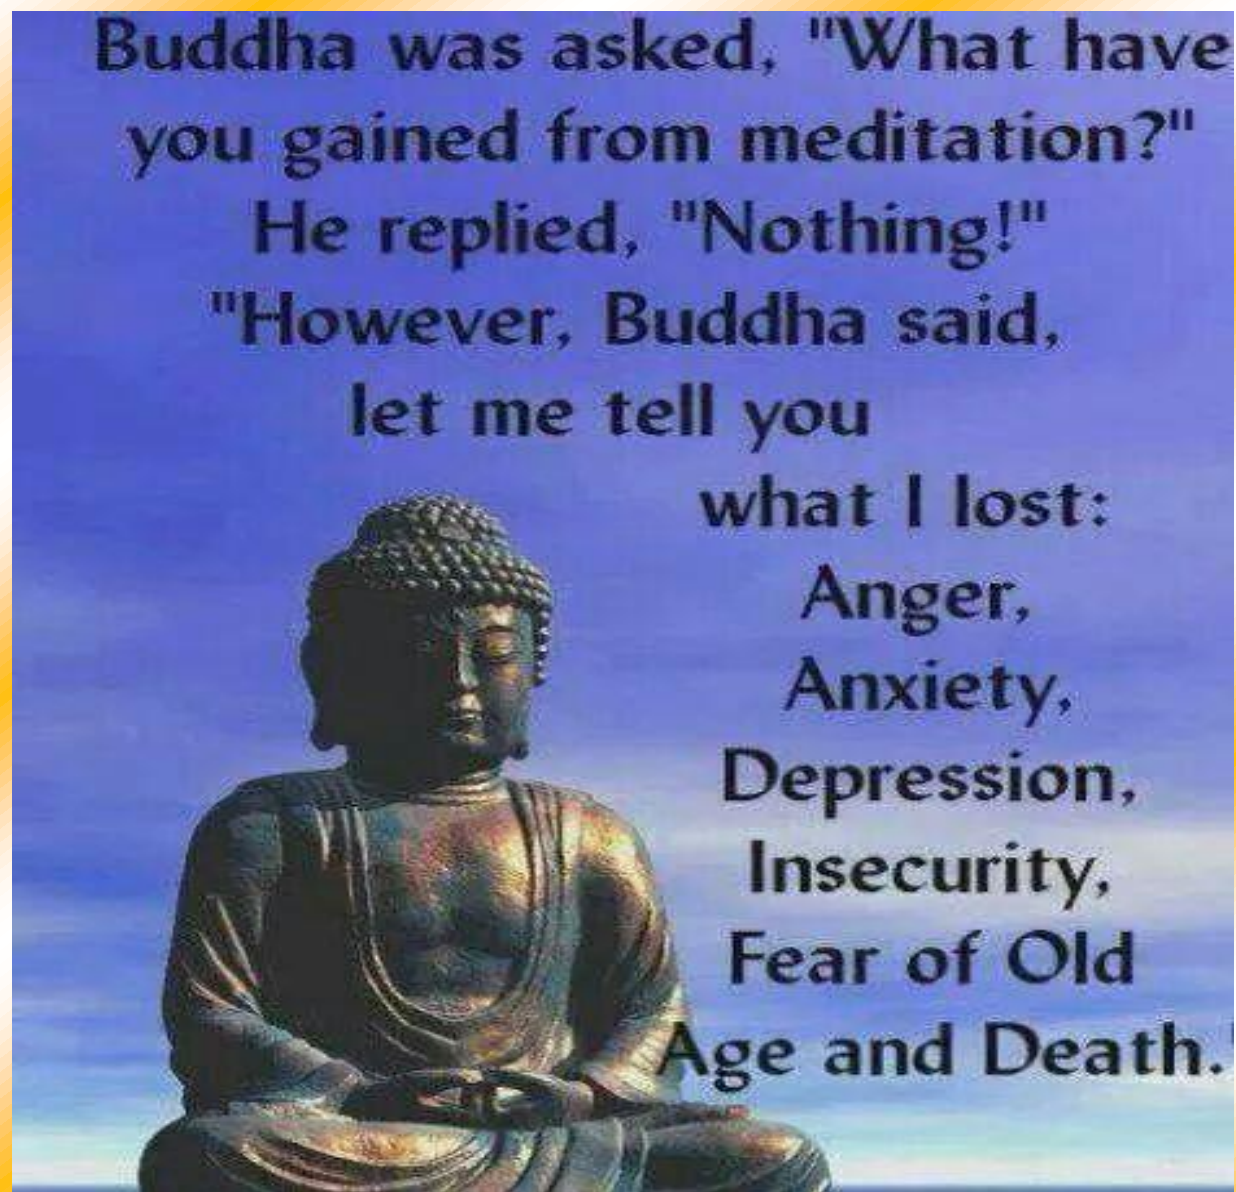

If you want to become successful then help people to achieve their goals...reach to their destination

It is said that, If you want result within...

...1(one) year...sow paddy

...Result in 10 (ten) years...sow trees

...Lifelong ...develop people...invest time in them

Life

*Never blame
anyone in your life.
The good people give
you happiness.
The bad people give you
experience.
The worst people give
you a
lesson.*

*The best people give you
Memories.*
