

YATES INDUSTRIAL SERVICES, LLC

Built on Safety. Driven by Excellence.

SAFETY INTEGRITY QUALITY

Specialty Industrial Services for Mississippi and Beyond

WHO WE ARE

Yates Industrial Services specializes in specialty chain and conveyor systems, plant maintenance, and general construction services. With a commitment to safety, integrity, and customer satisfaction, we deliver efficient, high-quality results on every project.

OUR SERVICES

Chain & Conveyor Systems

Specialty installation, repair, and maintenance of industrial chain and conveyor systems.

Plant Maintenance

Comprehensive maintenance services keeping your facility running at peak performance.

General Construction

Full-scope construction services tailored to industrial and commercial environments.

Welding & Fabrication

Expert structural and specialty welding and custom metal fabrication.

Equipment Installation

Precision installation of industrial machinery and equipment systems.

Safety & Training

Rigorous on-site safety protocols and workforce training programs.

Red Iron Buildings

Design and fabrication of pre-engineered red iron steel buildings for industrial, commercial, and agricultural applications — built for durability, efficiency, and long-term performance.

Square Tubing Trusses

Fabrication of custom square tubing truss systems for structural support in pole barns, barndominiums, and open-span building applications

Structural Steel

Full-service structural steel design, erection, and fabrication, delivering precision-fit frameworks that meet industrial and commercial standards.
