Foreword

The publication of this yearbook has been a challenge to all of us. And now that we present this edition of the "January '63" yearbook we are proud of what this work has meant to us.

It has required the co-operation of our class, students, staff, and others who have contributed their support.

The challenges of higher learning, adventure, and new worlds to conquer lie immediately before the members of the Senior Class. May we meet these challenges with courage, faith and steadfastness of purpose.

We Dedicate

Because of your devoted service to Rhodes High School and your sincere helpfulness toward each student, the January Class of 1963 proudly dedicates this yearbook to you, Mr. Gilbert VanNortwick.

All of us who have performed under your direction realize the difficult task you have in preparing for the numerous programs presented. Even though some of us have not had the opportunity to work with you, we have benefited from your efforts.

With this dedication we wish to express our gratitude and appreciation for your devotion and service to our school.

ADMINISTRATION

"The New"

Thank you, Mr. Stillinger, for guiding us through our last semester of high school. In the short time you have been here, you have already won the hearts of all Rhodes students.

We, in the January class of 1963, extend our sincere wishes for your continued success at Rhodes.

Yours truly,

The January Class of
1963

Principals
