It's Academic

The 72-73 Academic Challenge team, led by Captain Jim Rokakis and senior teammate John Katona and junior Matt Sutko, (senior alternate John Schreckengost), took runner-up honors to Walsh Jesuit High School in an exciting match on WEWS, Channel 5 television in November. Madison High School took third place with a score of 255, while the varsity scholars from Rhodes chalked up 365 points to Walsh's 430.

The match, which was nip-and-tuck affair between Rhodes and Walsh Jesuit, was in doubt until midway through the final buzzer on three straight questions and outdistanced the Rhodes scholars to post a hard-earned, close victory. Walsh subsequently won quarter final and semi-final rounds against other previous winning schools and at press time had qualified for the final playoff in July.

For their second place finish, the Rhodes team earned a four volume set of CLASSICS OF THE WESTERN WORLD which was placed in the media center.
