# Dedication '85

*The Class of 1985 takes this opportunity to honor Mrs. Sojna Brandt with our long overdue thanks and appreciation for her unselfish dedication to our school, the students & the faculty. She is ready to lend her knowledge & experience to assist, encourage & advise those seeking information. Her sharp wit & fast retort is legendary and has brought a laugh to many. She's tops in our book!*

*To Sonja Brandt: In appreciation for her ready smile, her willingness to go out of her way to help, for her counsel, and for her friendship. Ms. Florence Unetich.*

*I believe in working hard, giving service (whether or not it happens to be convenient), and helping others. I like to get people and books together and it pleases me if someone likes a book I recommended. Collecting good jokes, dragons, and glass beads are my current interests; but the lasting loves of my life are my husband, my books, my cats, and my plants.  
Mrs. Sojna Brandt*

*Sonja - In appreciation for all the help as busy as you were or as tired as you might have been. You were always willing to help. So: 1. Thanks for all the programs you set up with a five minute notice, 2. Thanks for all the phone calls you made to provide me with films with a three minute notice, 3. Thanks for all the programs you taped with a one minute notice, 4. Thanks for the use of the video machine on a yearly basis, 6. It was nice to know that I could always hear a good joke, have a good laugh, and relieve the pressure of the day. Thanks for being so helpful and a great friend.  
POMPEANI AL*

*I am pleased that the yearbook staff nominated Mrs. Brandt for the dedication. Rather than reiterate the fine points which many contributed, I'd like to say that I remember Mrs. Brandt from my own high school years here at J.F. Rhodes. And the reasons evident in choosing her today were the same those 10 years previous. Also, I'd like to thank her for supplying me with an abundance of horror books-my favorites. How she managed to be everyone's special friend is beyond me. We love you and offer this much deserved and overdue recognition. Ed McAudy*

*Three years ago when I first walked into Room 222, I saw a rather odd-looking lady wearing a dragon medallion around her neck. As time passed, my trips to the library became more frequent. Eventually, I became a media center aide. When I left I was smiling because Mrs. Brandt was never without a good joke. To me she was and still is more than just a librarian or a teacher. She has been a guide throughout my stay at J.F.R. and will always be a dear friend. Thanks, Love Brian Dailey*

Mrs. Brandt is considered by many of the students to be an "us" instead of a "them". She has always been there to give assistance to anyone & everyone. There is never a dull moment in the infamous Media Center thanks to her charming personality and very quick comebacks to every smart remark thrown her way. Personally, I'd like to give a very special thanks to Mrs. Brandt for making my time at Rhodes High a very enjoyable one, especially in my senior year and while working under her supervision in the Media Center. Speaking for all who know you well, "Mrs. Brandt, we love you!" Jack Treadway.

It is a pleasure to be able to write a few words of appreciation to the most warm-hearted person at Rhodes. Mrs. Brandt not only goes out of her way to help students, but faculty as well. Thanks for your help! Thanks for your dedication! And thanks for being you! Ron Hudak.

Sonja Brandt's tireless dedication to the education of young people and the well-being of her colleagues has made her indispensable to the operation of James Ford Rhodes High School. She gives willingly and cheerfully of her time, her talents and her expertise, never saying "no" to any request but always serving every need. The students and staff are profoundly indebted to her, for her example sets a high standard of educational practice and personal integrity which each of us should emulate. C.H. Zeidler

It's certainly a pleasure in joining others in dedicating this yearbook to a deserving colleague and good friend. Z. Harold Davis, Jr.

Generously giving of her time and talent - always quick to lend a helping hand when the projector sticks, the film breaks, the gears on a piece of equipment slip, or the computer jams — that's Mrs. Brandt. She's the one called upon to "fix it". Among the first to arrive at school in the morning and, among the last to leave in the afternoon, she's always there. She gives willingly of her own time and often takes work home. Her sense of humor and imaginative mind have touched most of us here at Rhodes. She is a caring, generous person and I'm proud to be her colleague and friend.

# Administration

*Mr. Farley Seldon, Principal*

*Dear June 1985 Graduates.*

*The day of graduation from High school is a day of pride and jubilation for every graduate. You have reached this high point not only because of the teaching and guidance of your teachers, but also because of the encouragement of your parents and your own interest in the future. Your parents, friends, and members of the James Ford Rhodes staff are proud of your accomplishments.*

*Graduation from High school may be looked upon in two ways. It may be looked upon as the end of a long road or the beginning of a new journey. I encourage you to look forward and to the future rather than backward and to the past. I suggest that you plan now for greater accomplishments and higher achievements in the future while remaining proud of your past achievements. Thomas H. Huxley stated: "The steps of a ladder were never meant to rest upon, but only to hold a man's foot long enough to enable him to put the other somewhat higher."*

*Look upon your graduation from James Ford Rhodes High School as a stepping stone to higher achievements. If your goal is small, you can never accomplish much. Set your aims high and never be satisfied with less than your best. If you aim for the sun, you may hit a star. There is no shame in having tried and failed; the shame is not having the courage to strive for higher goals.*

*Always work for higher accomplishments and goals through study, perseverance, hard work and commitment to reach your desired goal. I hope that you will continue your education in college or in some form of post-high school training. President James A. Garfield stated well the importance of education with this statement: "Next in importance to freedom and justice is education, without which neither freedom nor justice can be permanently maintained."*

*I wish you success in your future endeavors. Good luck and best wishes.*

*Sincerely yours,*

*Farley J. Seldon*

From the sophomore class, Melanie Hodge, and Paula Manuel led the way with Melanie tying the school record in the 100 Meters with 12.8. Paula became one of Rhodes' steady performers all year in the hurdles. The 400 Relay team smashed the school record in 51.9, members include Melanie Hodge, Monica Levert, Paula Manuel, and Regina Baker. Other outstanding members are Ramona Harris, Keri Lewis, Erin Hopkins, Terri Hill, Tammy Cunningham, Angie Linder, and Benetta Bradford. Leading the way was Greg Simms; 400 Meters in 49.1 and 37.5 at the State Championship in the 300 Meter Low Hurdles. Both of these times broke school records. Lehman Busbee's 22'3" in the long jump will stand for a long time. The 400 Relay team's record-setting performance of 42.1 was turned in by Rich Agnew, George Moore, Eric Armprester, and Greg Simms. Having an outstanding year were Brandon Owens- Long jump, Jack Treadway- Shotput, and Anthony Boysaw in the 800 Meters. Look for 11th graders Mark Starling and James Collins to lead the 1986 team.

## Prom '85

*The Prom was held on June 7th at the Hollenden House. There was a very good turnout by the seniors. It was also one of the most beautiful events in the history of the school. Seniors were attired in some of the finest dressware imaginable. D.J.'s provided the music, a trend away from the traditional band. Students prefer the D.J.'s.*

# Yearbook Staff And Closing

*The Aries yearbook has survived another year. Everyone knows that each year it becomes increasingly more difficult to hold on to those organizations and institutions that were once staples of J.F. Rhodes. However, with the help and cooperation of the students and faculty, we were able to create one of the best yearbooks ever. First I'd like to thank the students. Thanks go to those seniors having the faith to raise the initial deposit and to all those who begrudgingly pulled \$5.00 more out of their pockets at the last minute when it became clear we could not put out a bigger and better yearbook than last year's without putting up a bigger penny. Many thanks go out to Jack Treadway, this year's truly outstanding staffer, for spending 4 weeks in the hot summer at Rhodes every day designing numerous pages and transferring final copies. This yearbook would have been incomplete and of a far lower quality without his input.*

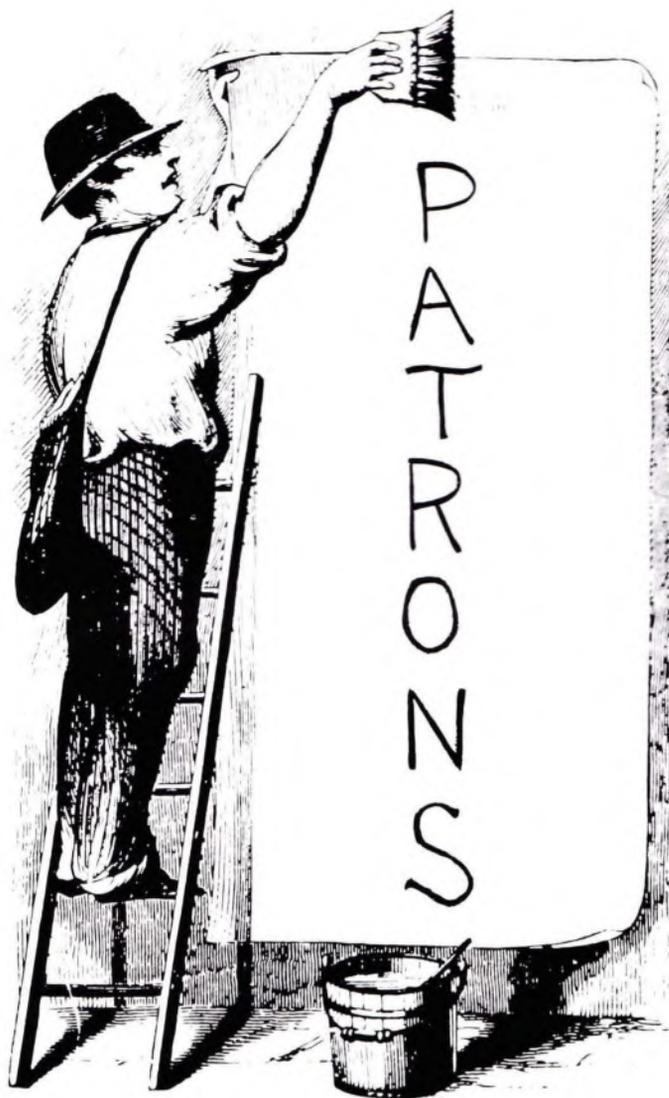

*I use this opportunity to thank faculty members who purchased yearbooks, were patrons, bought our decent and cruddy fundraising projects, or gave assistance in any way. Special thanks go out to the following: Mrs. Nickols for the generous use of her typewriters for 2 years; Ms. Glaiter, a staunch supporter who still offers great tips on yearbooking; Ms. Balmes for providing art materials; Mrs. Anderson for accepting last minute P.A. announcements; Mr. Lidrbauch for the lending of his tools for nearly a year; Mrs. Brandt for providing the inspiration for the dedication and for the frequent use of the Media Center; Mrs. Nagy for lending an ear and offering sound advice and encouragement; Mr. Seldon and the administration for ensuring yearbook activities ran smoothly; the Office clerks for giving various needed supplies; Mrs. Teamer for coordinating the senior activities so well and helping with ideas; Mr. Laderer for allowing me to push the deadline for collecting money to the extreme limit; Ms. Unetich again for her patience and understanding; Ms. Oliverio, a nice person to work with, for encouragement and offers of assistance; the Custodians and especially Mr. Hemel for giving up an entire week of his lunch breaks in the summer; all the Homeroom teachers for their help and calm under pressure of last minute picture announcements; all the Advisors of various clubs and organizations for providing names, and informing and assembling their groups. And very special thanks to Mr. John Clay, a great guy. When he tells you you're doing a good job, it makes it worth the time and effort. Thanks again Mr. Clay, I needed that!*

*I hope that above all, the yearbook is firmly back in place at Rhodes as a viable institution. This is after all, the major record of any one given school year that can be experienced again to relive that unique year. I am proud of this yearbook's accomplishment given the many obstacles to success. I am proud to have been part of the history of the school (1975-1978) and even prouder to be capturing the essence of Rhodes for those to come.*

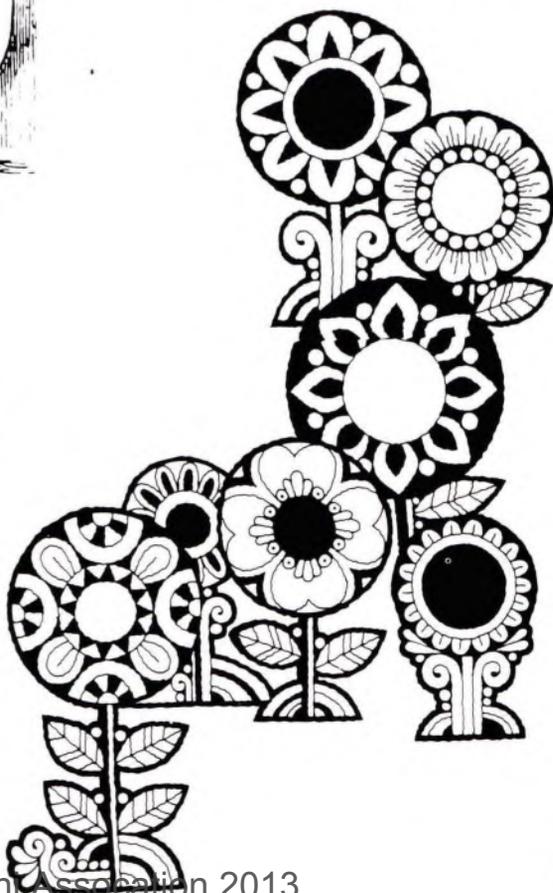

*Sincerely, Mr. Edward C. McAudy*
