RELEASE OF LIABILITY AND INDEMNIFICATION AGREEMENT

This Agreement dated _____, 20_____ and made effective the same day, is made between _____, ("Releasor") with a mailing address of _____ and Law-Free Bison, LLC ("Bison"), a Montana Limited Liability Company with a mailing address of 994 Powderville Road, Ekalaka, MT 59324 and Law-Free Land & Livestock, LLC ("Land"), a Montana Limited Liability Company with a mailing address of 994 Powderville Road, Ekalaka, MT 59324 (collectively "Releasees").

WHEREAS, Releasor and Bison have entered into a separate agreement for the purchase, sale, and hunt of certain bison, and consideration has been paid for that agreement; and

WHEREAS, the parties acknowledge that a bison hunt is a recreational activity which has physical risks to persons and property, regardless of safety precautions taken; and

WHEREAS, Bison leases real property owned by Land, located in Carter County, Montana.

NOW THEREFORE, the parties hereby agree to the following:

Releasor agrees that Releasees, their respective members, employees, officers, agents, assigns and successors shall not be liable to Releasor or any third parties for any loss, injury, death, or damage to any person or property or any claims, liabilities, penalties and causes of actions (including costs and attorney's fees and disbursement) bought by Releasor and his or her agents, members, employees, successors, assigns, or other, and from any and against any third party claims, liabilities, penalties, causes of actions (including costs and attorney's fees and disbursements) caused by the Releasor's participation in a bison hunt, from arrival to departure, and including the consumption of any part of any bison harvested.

Releasor further agrees to indemnify, defend, and hold harmless Releasees for any and all claims for loss, injury, death or damage whatsoever, including reasonable attorney's fees, to Releasor or any third person or their property caused by the Releasees, whether by act, omission, or negligence, even if not directly related to the bison hunt, unless a loss, injury, death, or damage to any person or property is the direct cause of the gross negligence or the voluntary and malicious act or malicious refusal to act by Releasees, their respective members, employees, officers, agents, assigns and successors. This indemnification shall survive the underlying agreement for the purchase, sale and hunt of a bison for a period of time needed to cover any and all claims that may arise against the Releasees.

Releasor agrees that the consideration paid to Bison also serves as consideration to Land and that this agreement is therefore enforceable upon all parties contained herein.

Things to Note

Things to Bring:

- Each person coming needs a separate liability waiver, even if just observing. These should be mailed with the form and deposit to save time prior to hunt. It's a lot warmer to get this done from home rather than out at the meeting point. I will have some available at the time of the hunt, if plans change and one has not been completed.
- 4x4 vehicle
- Layers of clothing. It usually takes quite a while, sometimes upwards of an hour, to get a clear shot. We do have the option of warming up in the vehicle afterward, but we would rather have you warm during the hunt as well. Hot Hands especially and Hot Feet work great to help with this.
- 8' x 10' tarp to put under your bison to keep the meat clean and help keep blood off your pickup for transport.
- 2 Queen size fitted sheets work great for keeping the dust off your meat on our dirt roads.
- Rifle (.30 caliber minimum). If using a 45-70, jacketed bullets must be used. Straight lead bullets bounce off their hide.
- Bullets for making sure the rifle is sited in, shooting the bison, and extra ones for 500 and 700 yard gongs (just for fun) after we are done hunting.
- Cash for remaining balance, skinning / field dressing fees ($350), and any gratuities you may wish to leave.

Things to Note:

- We arrange for skinner services to be available at the time of the hunt. This will be an additional fee of $350 and will be cash due at the time of service.
- Processing, taxidermist, tanner, and accommodations are all up to you to make arrangements for. There are some contacts provided on our Hunter Resources tab. Please let us know if you need assistance.
- Gratuity is not included in bison hunt or skinning services but are greatly appreciated.
