Dear Sir or Madam,

March 10, 2021

We welcome you and your business to the upcoming 2022 show season and all of its opportunities. This New Year offers you the opportunity to set new goals, make new plans, meet new people and reacquaint yourself with former friends and associates. For many of us, this means planning our advertising and sponsorship commitments for 2022. One of the events we encourage you to consider is the 2022 MeQHA Pine Tree Classic. MeQHA is celebrating 50 years We are officially affiliated with AQHA and APHA!. We are returning for another great year to the Skowhegan Fairgrounds. The location of the facility is very popular being in the same lot as a Hannaford Supermarket and a Wal-Mart. The fact that it is in the center of the city, with many restaurants, bakeries, and small shops in the area, make it very convenient. The Towne Motel is the hub of MeQHA Central. The MeQHA Pine Tree Classic offers a wide selection of classes for competition as well as a number of social activities. We also offer some of our own MeQHA classes for the little ones. We normally attract between 85 and 150 horses to our show. It is not uncommon to see 1000 people on the grounds throughout the weekend. People venture from the Canadian Maritimes, all of the New England States and often those states spreading through the rest of the east coast. According to the U.S. Census and The U.S. Chamber of Commerce, there is an average of five people per horse who come to the shows. Maine's Equine Industry generates \$371 million annually in equine activity. Maine has 37,000 horses throughout the state. The equine industry in Maine generates nearly 6000 jobs. The annual payroll generated by the equine industry in Maine totals over \$130 million. Horse owners and equine facilities pay over \$10.5 million annually in Maine State Property Taxes. Despite all of the numbers, the true economic impact on the state cannot be truly calculated as horses are more than just a business to most horse owners. Nationally, an economic study showed a direct impact of \$39 billion annually. We take very seriously the economic impact this has on the State of Maine. Everyone benefits through MeQHA programs. We have many sponsorship possibilities for you.
