RE: Application to connect to sewer

Enclosed please find the application packet which should be completed and submitted to the Concho Wastewater Improvement District (CWID) for approval to connect to the District's sewer system. To facilitate processing of the application you should return the completed packet to:

CWID
PO Box 527
Pinetop, AZ 85935

Before approval is granted, the District must receive the completed Application to Join Sanitation District and Request for Residential Sewer Service as well as payment of the fees \$1,395.00. The rest of the documents in the packet are for your information. The fees include:

| | |
|-------------------------------|--------------|
| Establishment Fee | \$ 25 |
| Two months Refundable Deposit | 70 |
| Hookup Fee | <u>1,300</u> |
| Total Cost | \$1,395 |

Upon receipt of the completed documents and fees, Mrs. Brewer will contact Apache County to let them know approval has been granted by CWID for them to proceed with the permit. If there is no tap, please call Matt Davis, CWID's District Operator at 928-595-0115.

If you have any questions, you may contact Eleanor Brewer at 928-537-1065 or email at eleanor@saguarocpa.com.

Name: _____ SS/EIN #: _____

Billing address: _____

Phone(s) #: _____

\$ _____ Establishment fee
\$ _____ Refundable deposit
\$ _____ Connection Fee
\$ _____ Pre-payment for first month (optional)

Type of sewage output and expected flow:

\$ _____ Total amount due

Backflow Device required? Yes No

Paid: \$ _____ Ck# _____ Cash: _____ Date: _____

CWID Representative: _____ Water Source: _____

Billing:

Service is invoiced monthly for the month ahead of service. Payments are due on the 5th of the month. If an account is more than 25 days in arrears, then service may be terminated unless other payment arrangements have been made.

General Customer information:

All CWID customers must have a cleanout device installed on their sewer lines between the building and the connection to the main sewer line. A customer's location or business type may require a backflow prevention device or grease trap to also be installed. Building plans may be required before hookup. One inspection fee is included in the hookup fee.

Landlord Responsibility:

If the applicant is leasing the residence, the landlord must also sign this application. The landlord will also be responsible for any service fees if the tenant becomes delinquent on their bills.

I agree to the payment and customer terms above:

Date: _____ Customer signature: _____

Date: _____ Landlord signature (if applicable): _____
