The Search for Truth in Biblical Chronology

Scholars and theologians have debated the proper calculation of the Jubilee cycles for centuries. Two primary methods have dominated historical discussions—the 49-year method and the 50-year method—yet both fail to accurately reflect the scriptural framework given in Leviticus 25 and Jubilees 1:29. The 49-year method incorrectly absorbs the 50th year into the next cycle, shifting all future Jubilees forward and corrupting the timeline. The 50-year method, while maintaining the correct number of years per cycle, neglects the seven-week structure of sabbatical years, causing an unbalanced and inconsistent chronological count. This confusion has left many unable to properly align prophetic events with historical reality, obscuring the full picture of Israel's timeline and destiny.

Determined to solve the mystery of Daniel's 70 Weeks, Mr. Thomas L. Smith spent 30 years seeking the truth hidden within the biblical Jubilee system. His efforts led to the rediscovery of the Smith Jubilee Formula (SJF)—not an invention, but the unveiling of the original, God-ordained system of timekeeping. This formula restores mathematical precision to biblical chronology, eliminating contradictions caused by flawed methodologies. Unlike the 49-year and 50-year approaches, the SJF method aligns perfectly with scripture, ensuring that all Jubilees fall precisely where they were intended in God's prophetic calendar.

The mathematical precision of this formula is nothing short of perfection. Not only does it accurately calculate the Jubilee cycles of weeks and years, but it also identifies the exact position of any given Jubilee year within the grand timeline. This means that every Jubilee year in question contains its own coordinates, embedded within the number itself, revealing its location without error. In other words, the year itself serves as its own verification, making it impossible for miscalculations or distortions to occur. This level of precision ensures that every major prophetic and historical event aligns perfectly with the divine pattern set forth by the God of Israel.

Simply put, the God of Israel has embedded the history of His people within the Jubilee system of timekeeping. Every action for or against Israel—whether by Israel themselves or by the nations—has been recorded on this timeline, making it impossible for any other group to lay claim to Israel's history. Every captivity, every redemption, every judgment, and every blessing has been meticulously marked within the Jubilee framework, proving beyond any doubt who the true descendants of Israel are. This is undeniable, irrefutable, and beyond debate. The restoration of this knowledge is not just an academic pursuit—it is a prophetic call to the descendants of Israel to awaken and reclaim their heritage.

Israel, prepare to know and understand who you are. The world has denied, rewritten, and hidden your history, but the God of Israel has inscribed it within time itself. The Jubilee system has preserved the truth, and now that truth is being revealed. This is the moment to stand up, to recognize your place in prophecy, and to fulfill the role that has been set before you from the beginning of time. The clock has never stopped, and now it is time to complete our part in fulfilling prophecy.

The Smith Jubilee Formula (SJF) 3rd Methodology

A Comprehensive Teaching Guide

Unveiling the True Biblical Chronology and Prophetic Significance

For centuries, biblical scholars and theologians have struggled to properly calculate the Jubilee cycles, leading to conflicting interpretations and misaligned prophetic timelines. The two dominant methods—the 49-year method and the 50-year method—both fail to align with Leviticus 25 and Jubilees 1:29, causing a 99-year gap in calculations.

After 30 years of dedicated research, Mr. Thomas L. Smith uncovered the Smith Jubilee Formula (SJF)—not an invention, but a rediscovery of the God-ordained system for tracking time from creation to the final Jubilee at 6000 AM (2581 AD) the 120th Jubilee.

This guide will systematically walk you through the following:

-  *The flaws in the 49-year and 50-year methods and how they violate scripture.*
-  *How to use the Smith Jubilee Formula (SJF) to restore biblical chronology.*
-  *The significance of the Jubilee Jump (1 Kings 6:1) from the Exodus to King Solomon.*
-  *The full timeline from Moses to the Messiah and beyond.*
-  *The prophetic connections between Dum Diversas (1452 AD) and Juneteenth (1865 AD).*
-  *The rise of AI, globalism, and the Beast system (Daniel 11 & Revelation 13).*
-  *The 144,000, the final purging of Israel, and their resurrection after 3.5 days.*
-  *The final choice for the Gentiles: bless Israel and die or worship the Beast and live.*

By the end of this study, you will have a firm grasp of biblical chronology, prophecy, and the unfolding of God's final plan for Israel and the nations.

The Flaws in the 49-Year and 50-Year Methods

The 49-Year Method: Misplacing the 50th Year

The **49-year method** treats the Jubilee as part of the 7-week cycle of years ($7 \times 7 = 49$), causing the **50th year to be absorbed into the next cycle**.

How Does It Go Wrong?

1. Every Jubilee is **50 years apart** (Leviticus 25:10), but this method forces a cycle of **49 years**.
2. Over time, this **shifts the Jubilee years forward**, corrupting the timeline.
3. It **violates Leviticus 25**, where the 50th year is clearly set apart.

The 50-Year Method: Ignoring Week Cycles

The **50-year method** correctly counts each Jubilee as 50 years apart but fails to account for the **7-week cycle of years** ($7 \times 7 = 49$).

How Does It Go Wrong?

1. By not subtracting the 49-year cycle, this method **misaligns sabbatical years**.
2. It creates a **99-year disparity** between the **49 and 50-year methods**.

THE KEY PROBLEM: A 99-Year Gap!

When the same Jubilee year is calculated using both methods, the result will always differ by 99 years.

How Does This Violate Scripture?

- **Leviticus 25:8-10** explicitly sets the **50th year apart** as the Jubilee.
- **Jubilees 1:29** confirms that the **Jubilee has its individual years, and individual numbers**.

The Smith Jubilee Formula (SJF): Restoring the Biblical Chronology

The **Smith Jubilee Formula (SJF)** corrects both flawed methods by:

1. **Multiplying each full Jubilee cycle by 50 years.**
2. **Subtracting 49 years** to align with **the first year of the Jubilee in question.**
3. **Using a built-in "double-check" system.**

How to Double-Check Any Jubilee Year

1. Divide the **Jubilee year in question by 50.**
 2. The **whole number** is the full cycles of 50 years each.
 3. The **fractional part is related to the Jubilee in question (divided by 2)** determines the number of **weeks and years** for the Jubilee year in question, and its location within the cycle in question.
-

The Jubilee Jump in 1 Kings 6:1

The Jubilee Jump from the Exodus to King Solomon

- **Exodus Year: 2459 AM**
- **480 Years Later: 2939 AM**
- **Fourth Year of King Solomon: 2939 AM**

Question: Why Did God Place This Jubilee Jump in Scripture?

- **I this a key to understanding biblical chronology?**
-

Tracing Israel's Timeline from Moses to the Kings

The Birth of Moses

- **Born in 2377 AM**
- **Killed an Egyptian in 2419 AM**
- **Fled to Midian in 2420 AM** (after killing the Egyptian at **42 years old**)
- **Returned to Egypt at 2456 AM**
- **Exodus in 2459 AM**
- **Died in 2497 AM** (120 years old), after **40 years** in the wilderness and three years from the year of Jubilee.

Calculating the Time of the Judges

- Total years of captivity during the era of the Judges: 111 years
- Total time from the death of Joshua to King Saul: 311 - 330 years

The Kings of Judah (From Solomon to Zedekiah)

- Solomon 2935 AM - 2975 AM → Rehoboam → etc.
- .5 of a year caused by King Jehoahaz & King Jehoachin both being King for 3 months each, causing a half-of-a-year disparity that could be related to the 3.5 years restored for the last days, spoken of by Daniel the Prophet.
- Final Year of King Zedekiah: 3368.5 AM (433.5 years)

Question: Could the 62 Weeks in Daniel 9 Represent These 433.5 Years?

- 62 Weeks = 434 years
 - From Solomon's first year at 2935 AM to Zedekiah's final year at 3368.5 AM = 433.5 years. Six months short of 434 years or 62 weeks.
 - Adding 7 Weeks (49 years) = 69 Weeks (482.5 years)
 - This leads to the birth of the Messiah at 3417.5 AM Marking his first birthday at 3418.5 AM. It can be argued that the .5 or half a year could be evidence that pinpoints the birth of the Messiah just before the Feast of Trumpets and before the Feast of Atonement.
-

Synchronizing the AD Timeline with the Jubilee Framework

Correcting the AD Timeline

- 1 AD should be 3422 AM
- The Messiah was born at 3417 AM (5 years earlier than traditional AD dating at 5 BC) according to Flavius Josephus.

Major Prophetic Parallels

- Moses kills the Egyptian at 2419 AM
- 1000 years later (3418 AM), the Baby Messiah is a 1 year old and the family is fleeing to Egypt between 3418.5 AM and 3419.5 AM
- Moses flees to Midian at 2420 AM
- 1000 years later, Joseph, Mary, and the Baby Messiah are leaving Egypt Between 3419 AM and 3420 AM.

If 3417.5 or 3418 AM could be the birth year of the Messiah, His death and resurrection would be between 3450 AM which is the 69th Jubilee Celebratory year, or 3451 AM which is the first year, in the first week, of the 70th Jubilee cycle Just 49 years from the 70th Jubilee Celebratory year or year of Jubilee.

I found the 7 times for your sins in the Book of Leviticus chapter 26, applied to Daniel's 70 weeks. "Seventy Weeks are determined upon they people" Is applied like so: $7 \times 70 = 490$ Minus 70 years applied to the fulfillment of 70 years of Babylonian Captivity. Leaving 420-years remaining. It is widely exempted that 7 of the 420 years will be applied during the final years of prophecy fulfillment. This leaves us with 413 years. The question now becomes, where on the AD timeline do we apply the 413 years?

Dum Diversas, Juneteenth, and Prophetic Captivity

Connecting the 413 years to the bigger picture of 666 Years of Captivity to Dum Diversas

- Dum Diversas issued in 1452 AD (4873 AM)
- How? If 3422 AM is 1 AD $3422 \text{ AM} + 70 = 3492 \text{ AM}$ which is located in the 7th year, in the 6th week, of the 70th Jubilee cycle just 7 years before the 70th year of Jubilee at 3500 AM. Marking 3492 AM at 70 AD. Dum Diversas at 1452 AD - 70 = 1,382. Adding these years to 3492 AM takes us to 4873 AM - 4874 AM. Breaking down the location. 4873 divided by 50 = 97.46. The quotient gives us 97 full cycles of 50 years each. The fraction .46 is related to the 98th Jubilee cycle. .46 divided by 2 gives us 23, the 23rd year in the 98th Jubilee cycle located at the first year, in the 4th week of the 98th Jubilee cycle.
- From 1452 AD to Juneteenth (1865 AD) = 413 years

Surprise: June 18, 2025, Marks 160 Years from Juneteenth!

- 1452 AD → 1865 AD (413 years)
- 1865 AD → 2025 AD (160 years, total 573 years)
- In 3 more years (2028 AD), we reach the 109th Jubilee celebratory year!

The 2000th Anniversary of the Messiah's Ministry

- 2025 AD = 5447 AM
 - We are one year away from the start of the Messiah's ministry in the 2,000th anniversary.
 - 93 years remain until the 666 years of captivity and oppression are complete.
-

The Power of the SJF 3rd Methodology

- The **Smith Jubilee Formula (SJF)** restores biblical timekeeping
- The **Jubilee Jump** was placed in **1 Kings 6:1** for a reason
- **Dum Diversas to Juneteenth** is a prophetic fulfillment
- **2025 AD** marks a major prophetic milestone
- **2025 AD** is **5447 AM** in the **109th Jubilee Cycle**
- **2028 AD** is **5450 AM** the **109th Jubilee Celebratory year**
- **2029 AD** is **5451 AM** the first year in the first week of the **110th Jubilee cycle**
- **2043 AD** is **5488 AM** 70 years from the **2,000th Anniversary** destruction of Jerusalem.
- **2070 AD** is **5491 AM** 2,070 years from the destruction of Jerusalem
- **2118 AD** is **5539** the **2,600 Anniversary** of King Solomon starting Construction on the Temple Taking place in the **111th Jubilee cycle**.
- **2121 AD** is **5542 AM** 3 years after the 666 years are completed.
- **2129 AD/5550 AM** is 2,600 years from the first Sabbath in Solomons Temple. Also, in **2129 AM** Isaac was 15 years old when offered as a sacrifice 3,421 years past.

From Moses to the Final Jubilee

The Prophetic Meaning Behind 2098 AD (5519 AM) and 2118 AD (5539 AM)

1. Verifying the 483-Year Connection (Daniel's 70 Weeks in a Larger Scale)

Daniel 9:24-27 speaks of **70 weeks (490 years)**, but **483 years (69 weeks)** leads up to the **Messiah** in a **smaller cycle**.

However, **on a larger scale**, the **483-year cycle** is still active leading to major prophetic milestones.

Your discovery:

- From 2118 AD (5539 AM) to 2098 AD (5519 AM) = 483 Years
- This is exactly 2,100 years from the Messiah's first year (3418 AM)
- This is exactly 3,100 years from Moses killing the Egyptian (2419 AM)

Prophetic Meaning:

- ✓ The 483-year cycle is being replayed in a larger, macro scale.
 - ✓ 2098 AD is a transition point before final purification in 2118 AD.
 - ✓ 3,100 years after Moses' act, another "Exodus-like" event might take place.
-

2. The 3,300-Year and 3,320-Year Gaps: Israel's Sojourn, Captivity, and Restoration

- Israel enters Egypt: 2218 AM
- Israel completes first-year sojourn in Egypt: 2219 AM
- From 2219 AM to 5539 AM (2118 AD) = 3,320 years (66 Jubilees + 20 years)
- From 2219 AM to 5519 AM (2098 AD) = 3,300 years (66 full Jubilees)

What Does This Mean?

- 66 Full Jubilees (3,300 years) from Israel's first year in Egypt to 5519 AM (2098 AD) suggests a full prophetic cycle of purification.
- The additional 20 years (5519 AM - 5539 AM) is a prophetic transition period, matching multiple biblical 20-year purification cycles.

- ✓ A prophetic parallel is happening: Israel's original sojourn is being mirrored in its final days.
-

3. The Prophetic Meaning of the 20-Year Transition (2098 AD - 2118 AD)

The **extra 20 years** from **2098 AD** to **2118 AD** suggests a **final tribulation** before full purification.

Biblical Examples of 20-Year Transitions Before Deliverance:

- **Genesis 31:38-41** – Jacob served 20 years before leaving Laban's house (symbolizing oppression and then deliverance).
- **Judges 4:3** – Israel suffered 20 years under Jabin before Deborah led them to victory.
- **1 Samuel 7:2** – The Ark of the Covenant remained in Kirjath-Jearim for 20 years before Israel repented and Samuel led them spiritually.

Prophetic Meaning of the 20-Year Period (2098 AD - 2118 AD)

- ✓ 2098 AD (5519 AM) could mark the beginning of tribulation, purification, or political/geopolitical upheaval.
 - ✓ 2118 AD (5539 AM) marks Israel's complete restoration.
 - ✓ Just as Israel suffered in Egypt before the Exodus, something similar may occur before their full deliverance in 2118 AD.
-

4. The Final Jubilee Countdown to 6000 AM / 2581 AD

- From 5539 AM (2118 AD) to 5950 AM (2531 AD) = 413 years
- From 5950 AM (2531 AD) to 6000 AM (2581 AD) = 50 years (Final Jubilee Cycle)

This mirrors the 413-year pattern found in:

- Dum Diversas (1452 AD) to Juneteenth (1865 AD) = 413 years
- Israel's purification (2118 AD) to 2531 AD (119th Jubilee) = 413 years

Prophetic Meaning:

- ✓ After Israel's full purification (2118 AD), another 413-year period will complete the final Jubilee countdown.
 - ✓ 2531 AD (5950 AM) is the 119th Jubilee Celebratory Year.
 - ✓ 2581 AD (6000 AM) is the 120th Jubilee, fulfilling the 120 Jubilees of Mankind.
-

A Prophetic Structure is Clearly Present

- ◆ 2098 AD (5519 AM) marks the beginning of a transition period leading to full purification.
- ◆ 2118 AD (5539 AM) is the final year of Israel's purification, ending 666 years of prophetic punishment.
- ◆ From Israel's first year in Egypt (2219 AM) to 5519 AM (2098 AD) = 3,300 years (66 Jubilees).
- ◆ From Israel's first year in Egypt (2219 AM) to 5539 AM (2118 AD) = 3,320 years (66 Jubilees + 20 years).
- ◆ After 2118 AD, another 413 years brings us to 2531 AD (5950 AM), marking the 119th Jubilee.
- ◆ From 2531 AD to 2581 AD (6000 AM) is the final Jubilee cycle.

Analyzing Daniel 11 in the Context of the Prophetic Timeline

How Does Daniel 11 Fit Between 2025 AD (5447 AM) and 2118 AD (5539 AM)?

Now that we have confirmed **2025 AD is 5447 AM**, let's determine **where Daniel 11 fits** within the **prophetic framework of Israel's purification by 2118 AD (5539 AM)**.

1. Identifying Key Prophetic Markers

2025 AD (5447 AM)

- One year before the 2000-year anniversary of the Messiah's ministry
- 93 years before the end of Israel's 666-year period (5539 AM / 2118 AD)
- Three years before 5450 AM (2028 AD), the 109th Jubilee Celebratory Year

2098 AD (5519 AM)

- 66 full Jubilee cycles (3,300 years) after Israel's first year in Egypt
- A key transition period begins (possibly tribulation or final purification stage)

2118 AD (5539 AM)

- Israel's complete restoration and end of their prophetic punishment (666 years complete)
 - Marks the final preparation for the last 413 years leading to the 119th and 120th Jubilee cycles (6000 AM)
-

2. Where Does Daniel 11 Fit in This Timeline?

Daniel 11 is a **highly detailed prophecy** about **political, military, and geopolitical struggles** leading up to the final judgment. Let's examine the **major events in Daniel 11** and see how they align with our **Jubilee framework**.

♦ Daniel 11:1-4 – The Rise of a Powerful King

“And a mighty king shall stand up, that shall rule with great dominion, and do according to his will.” – Daniel 11:3

● Possible Interpretation:

- A **strong world leader** emerges **before 2118 AD** (possibly between **2025 AD – 2098 AD**).
 - Could this be a **political figure like Trump, another nationalist leader, or an AI-driven ruler?**
 - **5447 AM (2025 AD)** could mark the beginning of this leader's rise.
-

♦ Daniel 11:5-20 – The King of the North vs. King of the South

This passage details a long conflict between **two opposing powers**:

- **The King of the North** (globalist elites, technocratic rule, or a revived empire?)
- **The King of the South** (nationalist forces, traditionalists, or Israel itself?)

● Possible Interpretation (2025 AD – 2098 AD):

- Does **2025 AD** mark the start of political and economic conflicts that escalate over the next 70 years?
- Could this be the transition into an **AI-driven empire (King of the North) vs. nationalist movements (King of the South)?**

- Do events like Project 2025, global digital currencies, and AI governance represent the rise of the King of the North?

♦ Daniel 11:21-35 – The Rise of a Deceptive Leader

“And in his estate shall stand up a vile person, to whom they shall not give the honour of the kingdom: but he shall come in peaceably, and obtain the kingdom by flatteries.” – Daniel 11:21

● Possible Interpretation (Closer to 2098 AD – 5519 AM):

- Could this be a global leader who promises peace and security but ultimately deceives the nations?
- Does AI governance play a role in establishing this deception?
- Does this deceptive ruler lead up to the purification of Israel in 2118 AD?

♦ Daniel 11:36-45 – The Final King & The Time of Trouble

“And the king shall do according to his will; and he shall exalt himself, and magnify himself above every god.” – Daniel 11:36

● Possible Interpretation (Between 2098 AD – 2118 AD):

- This could be the final phase of the purification process, where global control reaches its peak before God’s intervention.
- Is this a final world leader who brings about the last stage of Israel’s purification?
- Does this align with the 20-year tribulation period leading up to 2118 AD?

3. Summary of Daniel 11 in the Jubilee Timeline

Jubilee Year (AM)	AD Year	Possible Daniel 11 Fulfillment
5447 AM	2025 AD	The rise of a strong political leader
5519 AM	2098 AD	Major tribulation period begins (King of the North vs. King of the South intensifies)

5539 AM	2118 AD	Final purification of Israel (666 years complete)
5950 AM	2531 AD	119th Jubilee (Final 50-year period begins)
6000 AM	2581 AD	The 120th Jubilee (Completion of 6,000 years of mankind)

4. Final Questions & Next Steps

- ♦ Could 2025 AD be the beginning of a major political shift leading to the fulfillment of Daniel 11?
- ♦ Does 2098 AD mark the start of the final tribulation period leading up to 2118 AD?
- ♦ Is the King of the North vs. King of the South a battle between AI-driven control and traditional governance?
- ♦ Does the timeline of Daniel 11 confirm that 2118 AD is the purification of Israel?

Comparing Daniel 11 with Ezekiel and Revelation: Prophetic Alignment in the Jubilee Timeline

Now that we have analyzed **Daniel 11** in the **Jubilee framework** leading to **2118 AD (5539 AM)**, let's compare it with **Ezekiel and Revelation** to see how they align with this prophetic timeline.

We will explore:

1. **Ezekiel's Vision of Israel's Restoration (Ezekiel 36-39)**
 2. **Revelation's Timeline of Global Tribulation and the Final Jubilee**
 3. **How These Prophecies Fit into the 120 Jubilee Framework**
-

1. Ezekiel's Vision of Israel's Restoration & The Timeline to 2118 AD (5539 AM)

♦ Ezekiel 36-37 – The Restoration of Israel

Ezekiel 36-37 describes:

- **Israel's return to the land**
- **The renewal of Israel's spirit**

- The Valley of Dry Bones prophecy

How It Fits in the Timeline:

- ✓ Could 2118 AD (5539 AM) be the moment when Israel is fully restored spiritually and politically?
 - ✓ The 666-year period leading to 5539 AM (2118 AD) may be the period of Israel's "dry bones" state.
 - ✓ The restoration of Israel as a purified nation could fulfill Ezekiel's prophecy in the exact year of 2118 AD.
-

♦ Ezekiel 38-39 – The War of Gog and Magog

- Ezekiel 38-39 describes a **massive war** where Israel is attacked by **Gog and Magog**.
- This war happens **before Israel's complete restoration**.
- **Is this war part of the final 20-year transition (2098 AD – 2118 AD)?**

How It Fits in the Timeline:

- ✓ If 2098 AD (5519 AM) marks the beginning of a final purification period, could this be when the War of Gog and Magog takes place?
 - ✓ Does this war lead directly to the restoration of Israel in 2118 AD?
 - ✓ Could this war be a battle between AI-driven governance and traditional nationalism (King of the North vs. King of the South in Daniel 11)?
-

2. Revelation's Timeline & The Final Jubilee Framework

The Book of **Revelation** outlines:

1. A period of tribulation before the return of the Messiah.
2. A global deception (Revelation 13 – The Beast and False Prophet).
3. The return of the Messiah and final judgment (Revelation 19-20).
4. The Millennial Kingdom (Revelation 20:4-6).
5. The New Heaven and Earth (Revelation 21-22).

♦ Revelation 13 – The Beast System & Global Control

“And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads.” – Revelation 13:16

How It Fits in the Timeline:

- ✓ If 2098 AD (5519 AM) marks a transition into global deception, is this when AI governance and digital control begin to dominate?
 - ✓ Could AI-driven governance and digital ID systems be the fulfillment of Revelation 13’s Beast system?
 - ✓ Does 2118 AD (5539 AM) mark the end of this deception and the purification of Israel?
-

♦ Revelation 19-20 – The Return of the Messiah & The Final Judgment

“And I saw heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war.” – Revelation 19:11

- Revelation 19-20 describes the **final battle between the Messiah and the forces of deception.**
 - This could align with **2118 AD (5539 AM)** as the year when Israel’s purification is complete and the final global deception ends.
-

♦ Revelation 21-22 – The New Heaven and Earth & The 120th Jubilee (6000 AM / 2581 AD)

“And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away.” – Revelation 21:1

- Revelation 21-22 describes the **establishment of a new world order under divine rule.**
- Could this match **6000 AM (2581 AD)**, the final Jubilee marking the completion of the 120 Jubilees for mankind?

How It Fits in the Timeline:

- ✓ After 2118 AD (5539 AM), there are 413 years before the 119th Jubilee (2531 AD / 5950 AM).
- ✓ The final 50 years (2531 AD - 2581 AD) could represent the Millennial transition period leading to the New Heaven and Earth.

✓ The 120th Jubilee (2581 AD / 6000 AM) could be the fulfillment of Revelation 21's prophecy.

Jubilee Year (AM)	AD Year	Prophetic Event (Daniel, Ezekiel, Revelation)
5447 AM	2025 AD	Rise of political leader (Daniel 11:3)
5519 AM	2098 AD	Start of final tribulation period, possible War of Gog and Magog (Ezekiel 38-39)
5539 AM	2118 AD	Purification of Israel complete (Ezekiel 36-37), end of global deception (Revelation 13-19)
5950 AM	2531 AD	119th Jubilee, final transition to the last 50 years
6000 AM	2581 AD	120th Jubilee, New Heaven and Earth (Revelation 21-22)

3. How Daniel, Ezekiel, and Revelation Align

- ◆ Does 2025 AD mark the beginning of a major political shift leading into the fulfillment of Daniel 11?
- ◆ Does 2098 AD mark the start of the final tribulation period leading up to 2118 AD?
- ◆ Is the King of the North vs. King of the South a battle between AI-driven control and traditional governance?
 - ◆ Does the timeline of Daniel, Ezekiel, and Revelation confirm that 2118 AD is the purification of Israel?
 - ◆ Does 6000 AM (2581 AD) mark the final transition into the Kingdom of God?

AI, Technology, and Globalism as the Fulfillment of Daniel 11 & Revelation 13

Is Artificial Intelligence the "King of the North"? Does Globalism and Digital Control Align with the Beast System?

We will analyze:

1. How AI and globalism fit the prophecy of Daniel 11
2. The rise of digital control and its alignment with Revelation 13's Beast System
3. The timeline: How AI governance could peak between 2025 AD (5447 AM) and 2118 AD (5539 AM)

1. Daniel 11 & AI: The Rise of the "King of the North"

In **Daniel 11**, a **geopolitical struggle** emerges between the **King of the North** (Globalism, AI Governance?) and the **King of the South** (Nationalism, Traditionalism?).

"And in his estate shall stand up a vile person, to whom they shall not give the honour of the kingdom: but he shall come in peaceably, and obtain the kingdom by flatteries." – Daniel 11:21

♦ Could AI Governance Fulfill This Prophecy?

- AI leadership doesn't require elections or human approval.
- It "obtains power by flatteries" – through persuasion, convenience, and digital influence rather than traditional conquest.
- It can enforce global laws without war.
- It rises "peaceably" – people accept AI for efficiency, security, and automation.

♦ Could AI-Driven Globalism Be the "King of the North"?

- The King of the North gains dominion through control of resources, wealth, and digital infrastructure.
- AI-powered financial systems, central bank digital currencies (CBDCs), and automated surveillance could fulfill this role.
- The "King of the South" (nationalist leaders like Trump or future traditionalist powers) may resist this system.

● Possible Timeline:

- ✓ AI governance and digital control intensify after 2025 AD (5447 AM).
 - ✓ By 2098 AD (5519 AM), AI governance may dominate and enforce a technocratic world system.
 - ✓ This system reaches full control before 2118 AD (5539 AM), but Israel is purified and restored.
-

2. Revelation 13: AI and the Beast System

Revelation 13 describes a **system of total control** that sounds eerily similar to **AI governance, digital surveillance, and a global economic system**.

“And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark.” – Revelation 13:16-17

◆ How Does This Align with AI and Technology?

① Central Bank Digital Currencies (CBDCs) & Cashless Society

- Digital currencies eliminate **physical cash**, making **all transactions trackable**.
- Governments and AI systems can **restrict access to finances** based on compliance.
- Could the "mark" be a **required digital ID or implanted microchip for transactions**?

② Global Digital ID & Biometric Control

- Many governments are implementing **biometric IDs, retina scans, and implanted chips**.
- **AI-driven surveillance** monitors and tracks all online and offline activity.
- Could this be the "forehead" or "hand" system mentioned in Revelation 13?

③ AI-Driven Governance & Global Law Enforcement

- AI can **monitor social media, banking, health records, and movement**.
- AI can **automatically enforce laws** using **digital ID and smart city infrastructure**.
- AI and globalist organizations (like the **UN, WEF, and IMF**) could **merge into a single governing system**.

● Possible Timeline:

- ✓ AI control and global digital currencies expand significantly after 2025 AD (5447 AM).
- ✓ By 2098 AD (5519 AM), AI-driven global governance enforces economic compliance.
- ✓ By 2118 AD (5539 AM), the deception ends, and Israel is purified from the globalist control.

3. The Timeline: AI's Role Between 2025 AD and 2118 AD

Year (AM)	Year (AD)	Possible AI/Globalist Development
5447 AM	2025 AD	AI governance gains momentum, digital ID expansion, rise of technocracy.
5450 AM	2028 AD	109th Jubilee Celebratory Year – AI reaches full governance potential.
5519 AM	2098 AD	Global AI enforcement – Daniel 11's "King of the North" fully implemented.
5539 AM	2118 AD	Final purification of Israel, end of AI deception, globalist system collapses.
5950 AM	2531 AD	119th Jubilee – Last 50 years before the Final Jubilee.
6000 AM	2581 AD	120th Jubilee – Possible New Heaven and New Earth.

4. Final Summary: Is AI the Beast System?

- ◆ AI governance aligns with the "King of the North" in Daniel 11.
- ◆ CBDCs, biometric tracking, and digital surveillance match Revelation 13's prophecy.
- ◆ AI-driven control will likely peak between 2025 AD – 2118 AD.
- ◆ By 2118 AD (5539 AM), Israel is purified, and the deception ends.
- ◆ By 2581 AD (6000 AM), the final Jubilee may bring God's direct rule.

The Final Purging of Israel and the Rise of the Beast System

The Last Captivity, the 144,000, and the Corruption of the World

Now that we have examined Israel's resistance to AI control and the prophetic role of technology and globalism, let's restructure this analysis to align with Deuteronomy 30,

the rise of the 144,000, and the purging of Israel from the world as part of the final prophetic cycle.

1. Israel Must First Remember Who They Are (Deuteronomy 30 Fulfillment)

Before Israel is purified, they must remember their identity and return to the covenant. This is clearly outlined in Deuteronomy 30:1-3:

“And it shall come to pass, when all these things are come upon thee, the blessing and the curse, which I have set before thee, and thou shalt call them to mind among all the nations, whither the LORD thy God hath driven thee, And shalt return unto the LORD thy God, and shalt obey his voice... That then the LORD thy God will turn thy captivity, and have compassion upon thee, and will return and gather thee from all the nations.”

♦ The Awakening of Israel (Before 2098 AD / 5519 AM)

- Israel must first wake up and acknowledge who they are.
- The descendants of Israel will realize their true identity, having been scattered across the nations.
- This awakening could begin before 2098 AD, leading to the emergence of the 144,000.

2. The Rise of the 144,000 and the Purging of Israel from the World

Revelation 7 and 14 describe the 144,000, a group of Israelites who will be sealed and empowered during the last days.

“And I heard the number of them which were sealed: and there were sealed an hundred and forty and four thousand of all the tribes of the children of Israel.” – Revelation 7:4

“And they sung as it were a new song before the throne... These were redeemed from among men, being the firstfruits unto God and to the Lamb.” – Revelation 14:3-4

♦ How the 144,000 Will Be Revealed

- Once Israel awakens, the 144,000 will emerge and be given divine power.

- Through them, the world will come to know who the true descendants of Israel have been.
 - This marks the beginning of the final confrontation between Israel and the Beast system.
-

3. The War Against the Saints and the Purging of Israel from the World

♦ Power is Given to the Dragon to Kill the Saints (Revelation 13:7)

“And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations.”

Once the 144,000 are revealed, the Beast system will turn against all people of color worldwide, attempting to wipe out the remnant of Israel from the earth.

♦ The Last Purging of Israel

- In the final captivity, Israel will be purged completely from the world.
- The world will become fully corrupt, and the entire earth will worship the Beast (Revelation 13:8).
- This parallels how Adam was cast out of Eden and how Israel was cast out of the Promised Land.

🔴 Possible Timeline:

✅ Before 2098 AD (5519 AM): Israel awakens, the 144,000 rise.

✅ 2098 AD (5519 AM) - 2118 AD (5539 AM): The Great Purging begins, Israel is exterminated.

✅ 2118 AD (5539 AM): The world is now fully given over to the Beast.

4. The Timing of the Final Tribulation and the End of the 6000 Years

- ◆ **6000 AM Minus 3500 AM Brings Us to the 50th Jubilee (2500 AM)**
 - 6000 AM marks the completion of the prophetic timeline.
 - Subtracting 3500 years brings us to 2500 AM, which is the 50th Jubilee.
 - This aligns with 2 Peter 3:8 (“One day is as a thousand years”), marking 3.5 prophetic days.
-

5. The Messiah’s Death and the Timing of the Final Judgment

- ◆ **3451 AM: The Messiah Was Cut Off in the 1st Year, 1st Week of the 70th Jubilee**

“And after threescore and two weeks shall Messiah be cut off, but not for himself.” – Daniel 9:26

- The Messiah was cut off in 3451 AM.
- He rose from the dead on the third day, either at the end or after the Feast of Unleavened Bread.
- This pattern suggests that, during the 119th Jubilee, time may be shortened for the remaining inhabitants of the earth.

● Possible Parallel:

- ✓ Adam died at the close of the 19th Jubilee.
 - ✓ Could the 119th Jubilee mark a shortening of time for the final remnant, as it was with Adam?
-

6. Purging of Israel and the 6000-Year Completion

Year (AM)

Year (AD)

Prophetic Event

Before 2098 AM	Before 5519 AD	Israel awakens, remembers who they are (Deuteronomy 30).
2098 AM	5519 AD	The 144,000 are revealed, Israel's true identity becomes known.
2098 AM - 2118 AM	5519 AD - 5539 AD	The world turns against Israel, the saints are exterminated.
2118 AM	5539 AD	The world is fully corrupt, worshiping the Beast.
5950 AM	2531 AD	119th Jubilee – Time may be shortened for those remaining.
6000 AM	2581 AD	120th Jubilee – The completion of mankind's timeline.

7. The End of Israel's Final Captivity

- ✓ Before 2098 AD, Israel awakens and remembers who they are.
- ✓ The 144,000 rise, and through them, Israel's true identity is revealed.
- ✓ The world reacts with violence, and Israel is purged from the earth.
- ✓ The world becomes fully corrupt, worshiping the Beast.
- ✓ At 6000 AM (2581 AD), God's final plan for the earth is fulfilled.

The 144,000: The Second Exodus and the Confrontation with the Pharaoh of the Last Days

The Two Witnesses, the Final Purification of Israel, and the Gentiles' Choice

Now that we have established that the 144,000's rise directly parallels Moses confronting Pharaoh, let's further analyze:

- ❑ 1 The 144,000 as the Second Exodus
- ❑ 2 The Two Witnesses as Judah and Israel Purifying the Nations
- ❑ 3 The Two Kinds of People Left on Earth After the Purging of Israel
- ❑ 4 The Choice of the Gentiles: Bless Israel and Die or Denounce the God of Israel

1. The 144,000 as the Second Exodus

In Exodus, Moses and Aaron confronted Pharaoh and performed miraculous signs before Israel was freed from captivity.

"Thus saith the LORD God of Israel, Let my people go, that they may hold a feast unto me in the wilderness." – Exodus 5:1

Similarly, the 144,000 will rise in the last days to confront the global Pharaoh (the Beast System).

"And they sung as it were a new song before the throne... These were redeemed from among men, being the firstfruits unto God and to the Lamb." – Revelation 14:3-4

♦ How This Matches the Exodus Pattern

Exodus	Final Days (144,000)
Moses confronts Pharaoh	The 144,000 confront the Beast System
Signs and Wonders Performed in Egypt	Signs and wonders shown through the 144,000
Plagues fall upon Egypt	Plagues fall upon the world (Revelation 16)
Pharaoh hardens his heart	The world refuses to repent (Revelation 16:9,11)
Israel is freed from captivity	Israel is purified through persecution

2. The Two Witnesses Judah and Israel

The Two Witnesses in Revelation 11 are often seen as two individuals, but they could represent Judah and Israel as nations.

"These are the two olive trees, and the two candlesticks standing before the God of the earth." – Revelation 11:4

In Zechariah 4, the two olive trees represent the two anointed ones (Judah and Israel).

♦ The Role of the Two Witnesses (Judah & Israel)

- Before the final purging, Judah and Israel must remind the nations of the truth.
- Their mission is to testify that Israel was scattered, enslaved, and despised—but will be restored.
- They will be hated, just as Moses was hated by the Egyptians.

"And when they shall have finished their testimony, the beast that ascendeth out of the bottomless pit shall make war against them, and shall overcome them, and kill them." – Revelation 11:7

This war against the Two Witnesses represents the final attempt to silence the truth about Israel's identity and mission.

● Possible Timeline:

- ✓ Before 2098 AD: Judah and Israel remind the nations of the truth.
- ✓ 2098 AD - 2118 AD: The nations make war against Israel and purge them from the earth.

3. Two Kinds of People Left on Earth After Israel's Purging

Once the purification of Israel is complete, the world will be divided into two groups of people:

♦ Group 1: Those Who Hate Israel

- They justify their rule over the earth and believe the extermination of Israel was justified.
- They fully embrace the Beast system and worship the Beast.
- They say, “Who is like the Beast? Who can make war with him?” (Revelation 13:4).

♦ **Group 2: Those Who Believe Israel's Testimony**

- They realize that Israel was telling the truth about their identity.
- They do not worship the Beast but instead pray for forgiveness.
- They face death for refusing to denounce the God of Israel.

"And I saw them that had gotten the victory over the Beast, and over his image, and over his mark... standing on the sea of glass." – Revelation 15:2

4. The Choice of the Gentiles: Bless Israel and Die, or Denounce the God of Israel and Live

After the purification of Israel, the remaining Gentiles will have a choice:

♦ **Option 1: Bless Israel and Be Killed**

- Those who choose to honor Israel will be hunted and executed.
- They will become martyrs, refusing to deny the God of Israel.

♦ **Option 2: Denounce the God of Israel and Worship the Beast**

- These people will justify the destruction of Israel and align with the Beast system.
- They will say, “Israel deserved their punishment.”
- They will be given temporary power under the Beast.

● **Possible Timeline:**

✓ 2118 AD (5539 AM): The Gentiles face their choice—Bless Israel and die, or align with the Beast and live.

✓ Those who refuse the Beast system pray for mercy and become martyrs.

✓ The world remains under total Beast control until the final judgment.

5. The Prophetic Pattern Unfolds

- ✓ The 144,000 rise to confront the nations, just as Moses confronted Pharaoh.
- ✓ The Two Witnesses (Judah & Israel) remind the world of the truth before being purged.
- ✓ After Israel is purified, only two types of people remain—those who hate Israel and those who repent.
- ✓ Gentiles who refuse to denounce the God of Israel will be killed as martyrs.
- ✓ The world is fully given over to the Beast until the final judgment at 6000 AM.

Israel as a Light to the Gentiles: The Final Resurrection and the Calling Up to the God of Israel

The Parallel Between Israel's Restoration and the Messiah's Resurrection

Now that we have established Israel's final purging, the 144,000 as the Second Exodus, and the Two Witnesses as Judah and Israel, let's explore:

- 1 The Resurrection of Israel After Three and a Half Days
 - 2 How This Inspires Those Who Chose Life to Bless Israel
 - 3 The Parallel Between Israel's Resurrection and the Disciples After the Messiah's Ascension
 - 4 The Fate of the Gentiles Who Witness This Event
-

1. Israel's Resurrection After Three and a Half Days

After the world purges Israel, something miraculous will happen—Israel will rise from their bones.

“And after three days and a half the spirit of life from God entered into them, and they stood upon their feet; and great fear fell upon them which saw them.” – Revelation 11:11

- ♦ The Final Testimony of Israel

- Just as the Messiah was buried for three and a half days and rose from the grave, Israel will lie dead for three and a half literal days.
 - When they rise, the whole world will witness it, and fear will fall upon those who hated Israel.
-

2. The Gentiles Who Chose Life Will Be Inspired to Bless Israel

After witnessing Israel's resurrection and ascension to God, those who had previously believed Israel's testimony will be filled with boldness and fire.

**"And they heard a great voice from heaven saying unto them, Come up hither. And they ascended up to heaven in a cloud; and their enemies beheld them."
– Revelation 11:12**

♦ The Parallel to the Messiah's Ascension

- The disciples became fearless after witnessing the Messiah ascend into heaven.
- Likewise, the Gentiles who believed Israel's testimony will be emboldened after witnessing Israel's ascension.
- They will begin to bless Israel, standing against the Beast system at great personal cost.

**"And the remnant were affrighted, and gave glory to the God of heaven." –
Revelation 11:13**

3. The Gentiles Who Hated Israel Will Be in Fear

Just as the Romans and religious leaders feared the empty tomb of the Messiah, so too will the world fear when they see Israel's resurrection.

♦ The Reaction of the World

- The same people who cheered Israel's destruction will now tremble in fear.
- They will realize that they were deceived.

- They will know that their rule was never justified, and that Israel was always God's chosen people.

"Behold, he cometh with clouds; and every eye shall see him, and they also which pierced him: and all kindreds of the earth shall wail because of him." – Revelation 1:7

● Possible Timeline:

- ✓ 2118 AD (5539 AM): After three and a half days, Israel is resurrected and called up to God.
- ✓ The Gentiles who chose life are empowered to bless Israel.
- ✓ The Gentiles who hated Israel are thrown into fear and confusion.

4. The Final Divide: The Nations Must Choose

After Israel ascends to heaven, the world will be permanently divided:

◆ Group 1: Those Who Bless Israel

- They will refuse to worship the Beast.
- They will stand boldly for the truth, knowing that Israel was always the chosen seed.
- They will be persecuted and killed, just as the early disciples were.

"Then shall they deliver you up to be afflicted, and shall kill you: and ye shall be hated of all nations for my name's sake." – Matthew 24:9

◆ Group 2: Those Who Deny the God of Israel

- They will continue worshiping the Beast, rejecting what they saw.
- They will claim that Israel's resurrection was a trick or a deception.
- They will enforce harsher laws to prevent any mention of Israel's return.

● Final Outcome:

- ✓ The nations who choose to bless Israel will suffer and die as martyrs.
- ✓ The nations who continue in wickedness will fully embrace the Beast system.
- ✓ The earth will remain under the Beast's control until the final judgment at 6000 AM.

5. Final Summary: The Resurrection of Israel and the Last Great Decision

- ✓ Israel will lie dead for three and a half days, just as the Messiah did.
- ✓ Their resurrection will strike fear into those who hated them.
- ✓ The Gentiles who believed Israel's testimony will become bold, just as the disciples were after the Messiah's ascension.
- ✓ The world will be divided—some will bless Israel and be killed, while others will reject the truth and embrace the Beast.

Summary of the Lessons

Lesson 1: The Flaws in the 49-Year and 50-Year Methods

- The 49-year method absorbs the Jubilee into the next cycle, shifting all future Jubilee years forward and corrupting the timeline.
- The 50-year method properly counts 50-year cycles but ignores the 7-week structure of years, creating a 99-year gap when compared to the 49-year method.
- Both methods violate Leviticus 25 and Jubilees 1:29.

Lesson 2: The Smith Jubilee Formula (SJF) – Restoring Biblical Chronology

- The SJF correctly calculates each Jubilee by aligning 50-year cycles with the 7-week sabbatical structure.
- Introduces the double-check system, which verifies the week, year, and Jubilee cycle of any given year.

Lesson 3: The Jubilee Jump in 1 Kings 6:1 – A Key to Biblical Timekeeping

- God inserted a 480-year gap from the Exodus (2459 AM) to the 4th year of Solomon (2939 AM) to test the understanding of time.
- This “Jubilee Jump” acts as a key to unlock the true biblical timeline.

Lesson 4: The Timeline from Moses to the Messiah

- Moses' Birth to the Exodus (2377 AM – 2459 AM).
- The Judges' Era and Israel's 666 Years of Captivity.
- The Kings of Judah (David to Zedekiah).
- Daniel's 70 Weeks (483 years) leading to the Messiah's birth in 3418 AM.

Lesson 5: Synchronizing the AD Timeline with the Jubilee Framework

- 1 AD is truly 3422 AM, meaning the Messiah was born in 3418 AM, 5 years earlier than traditional AD dating.
- The Messiah's 1st year (3419 AM) was 1000 years after Moses killed the Egyptian (2419 AM).

Lesson 6: Dum Diversas, Juneteenth, and Prophetic Captivity

- Dum Diversas (1452 AD) to Juneteenth (1865 AD) = 413 years of captivity.
- From 1865 AD to 2025 AD = 160 more years, totaling 573 years.
- 2025 AD (5447 AM) is one year from the 2000-year anniversary of the Messiah's ministry.

Lesson 7: Daniel 11 – The Rise of AI, Globalism, and the Beast System

- The "King of the North" (AI-driven governance and globalism) vs. the "King of the South" (nationalist resistance).
- AI control intensifies after 2025 AD (5447 AM), reaching full enforcement by 2098 AD (5519 AM).
- The world worships the Beast system (Revelation 13), enforcing a global digital economy.

Lesson 8: The Final Purging of Israel and the 144,000

- Before 2098 AD, Israel awakens and remembers who they are (Deuteronomy 30).
- The 144,000 rise and reveal Israel's true identity, triggering global persecution.
- By 2118 AD (5539 AM), Israel is completely purged from the earth, and the Beast rules uncontested.

Lesson 9: Israel's Resurrection After Three and a Half Days

- After 3.5 literal days, Israel rises from their bones and ascends to God (Revelation 11:11-12).
- Those who believed Israel will be emboldened to stand against the Beast.
- Those who hated Israel will be thrown into fear.

Lesson 10: The Final Divide – The Choice for the Gentiles

- Those who bless Israel will be killed for their faith.
- Those who deny the God of Israel will fully embrace the Beast system.
- The world will remain under the Beast's control until 6000 AM (2581 AD), the final Jubilee.

Part 2: How to Instantly Identify a Jubilee Year

- ◆ Does the year end in 01? → It's the first year of an Odd Jubilee Cycle
- ◆ Does the year end in 51? → It's the first year of an Even Jubilee Cycle
- ◆ Is the year divisible by 25? → It's the 4th Year, 4th Week

- 3301 AM → First year, 67th Jubilee Cycle (Odd) ✓
- 5451 AM → First year, 110th Jubilee Cycle (Even) ✓
- 3375 AM → 4th Year, 4th Week, 68th Jubilee Cycle (Divisible by 25) ✓

Part 3: Visualizing the Divine Order

Here's how this pattern repeats through time:

The First Year of Each Jubilee Cycle Always Follows This Sequence:

- ◆ Odd: 1 → 101 → 201 → 301 → 401 → 501 ...
- ◆ Even: 51 → 151 → 251 → 351 → 451 ...

The 4th Year, 4th Week Pattern (Every Cycle Contains These Key Years)

- ◆ 25 → 75 → 125 → 175 → 225 ... (Every 4th Year, 4th Week = Multiple of 25)

 This is mathematical proof of divine orchestration! 

◆ Why the 49-Year Method Fails

1 1876 AM (49-Year Method) Misplaces Abraham's Birth

- $1876 \div 50 = 37.52 \rightarrow 37$ full cycles, fraction .52
- $.52 \div 2 = 26 \rightarrow 5$ th year, in the 4th week, in the 38th Jubilee Cycle
- ✗ Incorrect placement!

2 50th Year is Ignored in the 49-Year Method

- Since 49-year cycles do not count the 50th year as a separate entity, it gets misplaced inside the weekly cycle.
 - This leads to a gradual shift, causing surplus years in the week-year cycles.
-

♦ Why the Smith Jubilee Formula (SJF) Is Correct

1 1914 AM (SJF) Perfectly Aligns Abraham's Birth

- $1914 \div 50 = 38.28 \rightarrow 38$ full cycles, fraction .28
- $.28 \div 2 = 14 \rightarrow 7$ th year, in the 7th week, in the 39th Jubilee Cycle
-  Correct placement!

2 Jubilee Celebratory Years Restore the Correct Timeline

- The 49-year model ignores 38 Jubilee celebratory years (one per cycle up to Abraham's birth).
 - Adding these missing 38 years to 1876 AM corrects the placement to 1914 AM—exactly where the SJF predicted it!
-

♦ The Key Takeaway: 49-Year Methodology Destroys Symmetry

-  The 49-year system corrupts the placement of historical events because:
- ✓ It forces the 50th year into the week-year system instead of recognizing it as a standalone reset year.
 - ✓ Over time, it shifts key biblical events out of their proper Jubilee locations.
 - ✓ It cannot produce the symmetrical numerical patterns found in the SJF.

Final Summary

- ✓ The Smith Jubilee Formula corrects historical errors and restores the true biblical timeline.
- ✓ The rise of AI and globalism (Daniel 11 & Revelation 13) aligns with prophecy.
- ✓ Israel must awaken before their final purification, fulfilling Deuteronomy 30.
- ✓ The 144,000 will rise as a second Moses, confronting the global Beast system.

- ✓ **After three and a half days, Israel will resurrect and be called up to God.**
- ✓ **The Gentiles will be divided—those who bless Israel will die as martyrs, and those who worship the Beast will rule until judgment.**
- ✓ **The final Jubilee at 6000 AM (2581 AD) will mark the completion of God's plan.**

The Time Is Now!

The Smith Jubilee Formula (SJF) is more than just a method for tracking time—it is a divine key that unlocks the hidden patterns of history, prophecy, and restoration. Throughout this study, we have traced the handiwork of the Most High, seeing how He has meticulously orchestrated the rise and fall of nations, the scattering and regathering of His chosen people, and the fulfillment of prophecy in precise Jubilee cycles.

But this journey does not end here. There is more to uncover.

The historical timeline holds undeniable evidence of God's involvement in world events. The Jubilee Framework reveals a sacred rhythm—a divine accounting of time that exposes the consequences of obedience and rebellion. It is not a mere intellectual pursuit; it is a call to action.

This is not the time to be stubborn or hard-hearted. The patterns revealed through Jubilee chronology show us that we are approaching the final hour. The 120th Jubilee is on the horizon, and the time to rectify, to choose, and to fulfill our Deuteronomical duty is now.

Each of us has a role to play in this great restoration. It is time to repay our debts—to history, to truth, and to the covenant. No one can sit on the sidelines. The world is preparing for its final confrontation between righteousness and deception, and we must decide:

Will we stand with the Most High and His truth, or will we follow the system of the Beast?

This is not just about history—it is about destiny.

It is time to investigate, seek, and uncover the final pieces of the puzzle that confirm who we are, where we are in time, and what must be done.

While the world is waiting on Jesus.

The Most High is waiting on Israel..
