

Money owed to the PSRA for 2020

Some of our membership may be aware that the secretary at the Council, Idaho rodeo failed to take out 7% that goes to the PSRA as promised and refusing to pay it, so the PSRA will have to collect those fees from **ALL** contestants who won checks at that rodeo. Some members have paid back already. Also, Augusta, Montana's rodeo secretary failed to read the rule book and pay-outs were made to a few contestants that ran over the 30 second rule, as a result they did not qualify for a pay out. The PSRA has already paid the debt owed to Augusta, Montana so we will collect money owed. Most of it has been paid in full to the PSRA.

IMPORTANT INFORMATION BELOW:

All those competing at the PSRA Finals Rodeo are required to re-imburse the PSRA before they compete. All other money not paid to the PSRA in the year 2020 will continue into the year 2021 on a list until paid. Thank you in advance to all who honor this new association by reimbursing what is owed. The PSRA is apologetic for the many mistakes that were made this year in entries, rodeo secretaries, rodeo information, and incorrect money pay-outs.

We hope that 2021 will bring better results for everyone, including the rodeo associaton. Thank You!
