Revenue Sources FY2019 to FY2023
As of 1/31/2023

Charitable funds are generated by an individual’s decision to give. Individual donors can give directly to KinniCC or through other sources with donor directed gifts.

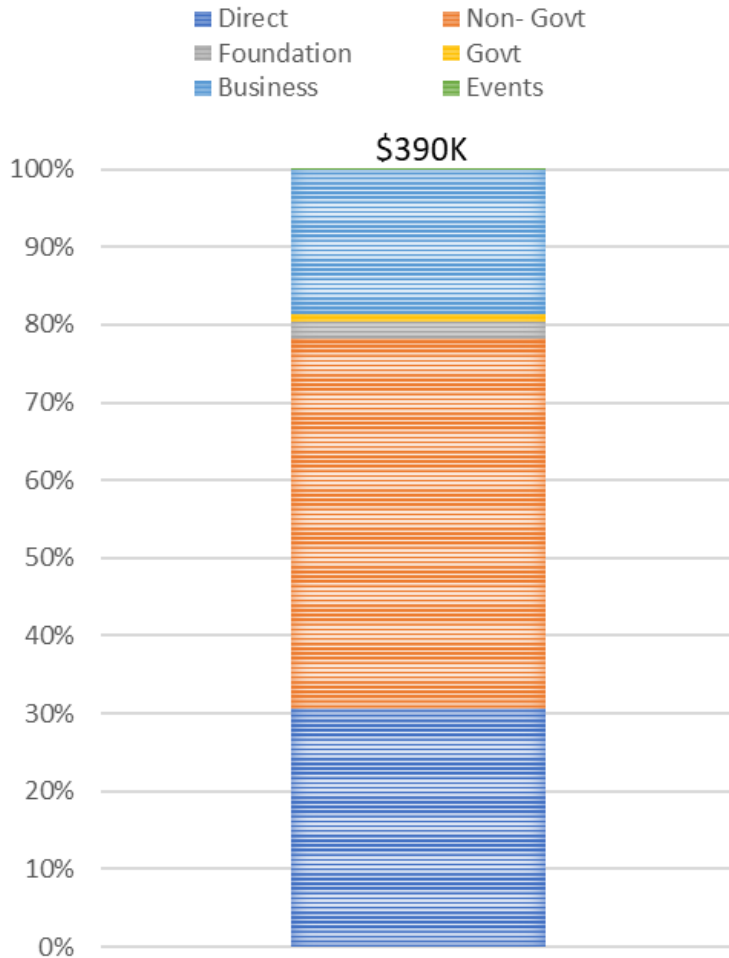

The way a donor gives is entirely up to them and often driven by their federal or state income tax decisions or existing pathways for making gifts to causes or projects they support.

To work collaboratively with public and private organizations and individuals to assemble the technical and financial resources needed to implement the current Kinnickinnic River Corridor Plan while preserving and managing the ecology and beauty of the Kinnickinnic River
