

The background image shows a clothing store with a rustic, industrial aesthetic. The ceiling is made of light-colored wooden planks. Two large, dome-shaped pendant lights with metal cages and warm-toned bulbs hang from the ceiling, suspended by thick, braided rope. Below the lights, horizontal metal clothing racks are also suspended by similar ropes. The racks are filled with various garments, including jackets, shirts, and dresses in neutral and muted colors. In the background, a large mirror reflects the store's interior, showing more clothing and a person. The overall lighting is warm and ambient.
