

# Tommy's Place

A home away from home for kids fighting cancer

## Tommy's Place Capital Campaign

### Founding Member Room Sponsorship Program

#### BECOME A SPONSOR!

Once in a lifetime limited opportunity to become part of Falmouth history! Tommy's Place founding donors will become part of the next chapter in the permanent history of the Elm Arch Inn as we turn the page and transition into Tommy's Place, a vacation home for kids fighting cancer and their families.

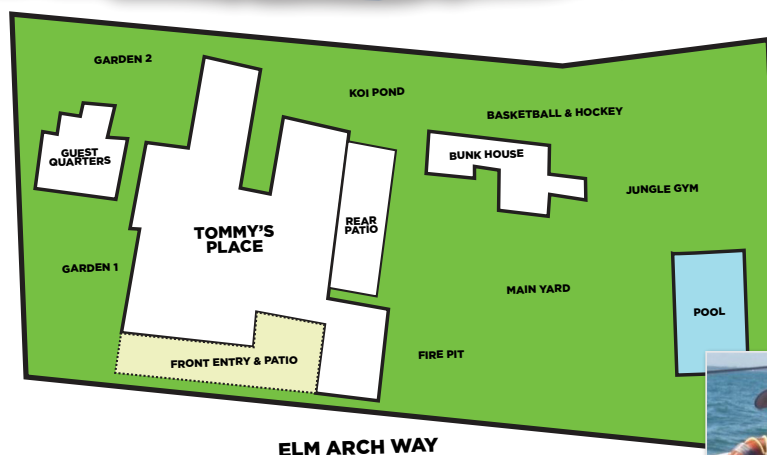

A limited amount of sponsorship opportunities for Individual, Family and Corporate donors are available on the interior and exterior grounds of the Tommy's Place property (Formerly the Elm Arch Inn) at 26 Elm Arch Way in Falmouth, MA.

Tommy's Place was purchased in July 2018 with the goal of developing it into a vacation home for kids that are fighting cancer and their families. It's not just any vacation home on Cape Cod, it's all about having fun and making

memories! There will be an inground pool, jungle gym, hockey and basketball court area, koi pond, and bunkhouse on the outside! The interior will include a movie room, game room, home tavern, music room an arts and crafts area and much, much more! The capital campaign is being held to provide funding for the renovations; including labor and building materials as well as the acquisition costs of purchasing the property.

Tommy's Place is more than a vacation home, ultimately it will be an "experience" for visiting kids and their families and not just another sterile environment such as a hotel or worse yet a hospital room! In addition to their sponsorship donation, each donor will have the opportunity to furnish and decorate their chosen space to their own individual tastes - potential themes: boats, cars, horses, dolls, action heroes, family heritage, schools, towns, business or yacht club motifs, model planes and trains are all possible - the opportunities are endless!

Donors can  
**DECORATE**  
and put their own personal  
touch on a room or space at  
**TOMMY'S PLACE!**

*...Because Everyone Deserves a Vacation.*
